BLOODY FIGHTING IN JAVA PORT

FOREIGN POLICY OF PRESIDENT TRUMAN DUE FOR EARLY TEST

BRIGHTEST SPOT IS EVIDENCE OF IMPROVING RELATIONS WITH MOSCOW

By JOHN M. HIGHTOWER

WASHINGTON, Oct. 29.—(AP)—Myriad international problems held a promise today of early and critical tests for President Truman's newly-poclaimed 12-point foreign policy.

One touchy point may disappear. This concerns Russia's demand for an allied control council for Japan. The issue may be compromised in the near future.

The brightest spot diplomatic authorities see in the international situation is evidence of improving Russian-American relations. The optimism stems from the friendly reception accorded U. S. Ambassador Harriman when he delivered a personal message from Mr. Truman to Generalissimo Stalin last week.

The nature of the message and of Stalin's reply have not been disclosed. There was some belief in Washington that negotiations over policy details, particularly respecting European peace treaties and the Japanese control council, are still in progress.

Trying for World Peace.

However, the main purpose of the interchange was clearly to try to strengthen the basis for present and future cooperation among the great powers in trying to organize a secure world peace.

Here are the main international problems which President Truman and Secretary of State Byrnes must reckon with in the weeks immediately ahead and in the light of Mr. Truman's foreign policy declarations in New York Saturday:

Japan—Representatives of the main victor nations in the Pacific war will meet tomorrow at the state department to organize a "Far Eeastern advisory commission" primarily to consult on future Japanese control policies.

Force Not Recognized.

The Balkans—One of President Truman's dozen foreign policy principles is that this government will not recognize any other government imposed by oustide force on a nation. The United States has been critical of Russia's political policies particularly in Romania and Bulgaria.

Palestine—This is a problem between Britain and the United States over admittance of Jewish refugees from Europe to Palestine. But it involves the broad question of maintaining peace and order in the Arab-dominated, oil-rich, strategic Middle East.

Dardanelles—Russia's treaty of friendship and non-aggression with Turkey expires next week. That may signal intensified Soviet pressure for bases on the straits connecting the Black Sea and the Mediterranean, as well as for new privileges for Russia in using the straits.

Security League.

United Nations—The formal organization of the new security league will raise questions of the commitment of United States forces to help preserve world peace.

Inter-American Defense — The

PRESIDENT TRUMAN HAS CANCELLED ALL SCHEDULED TRIPS

WACO VISIT HAS BEEN CANCELLED ALONG WITH OTHER TOURS

WASHINGTON, Oct. 29.—(AP)—President Truman today cancelled all of his scheduled out-of-town trips.

Even Ayers, assistant White House press secretary, said the cancellation applied not only to a projected week-end visit to North Carolina and Georgie, but also to a November 15 engagement at Liberty, Mo., a November 19 visit to Oklahoma City and Fort Sill, Okla., and an engagement at Waco, Tex., December 5.

Ayres attributed the decision to heavy pressure of business confronting the president in Washington.

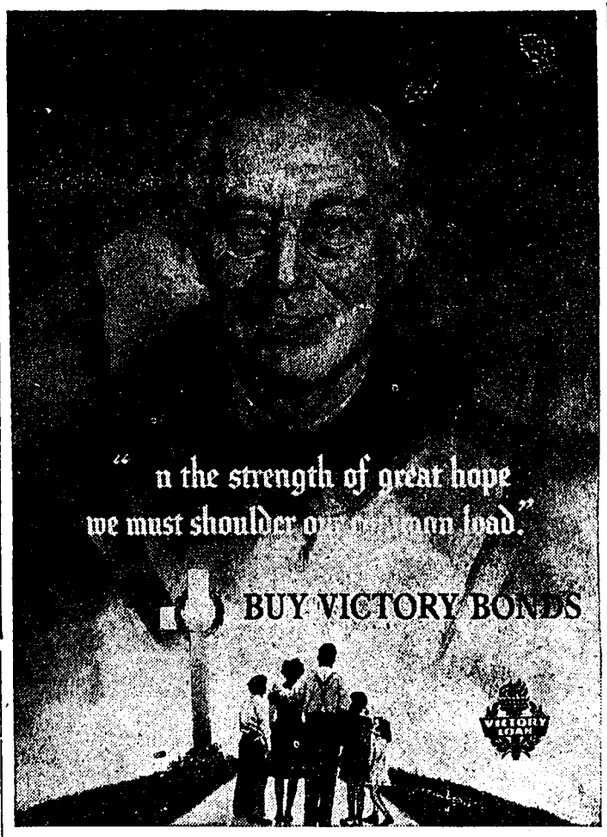

There has been speculation he may cancel travel plans to give greater personal attention to (a) the labor-management conference opening next Monday, and (b) the meeting starting tomorrow on the vitally important question of a Far Eastern advisory council.

The president has indicated a desire to talk with as many as possible of the delegates to the labor-management conference in advance of its opening.

Meanwhile, he is drafting an important administration pronouncement on wage-price policy for disclosure to the nation in a major radio broadcast at 9 p.m. (CST) tomorrow.

This will be the fourth in a series of moves high associates say reflect a new effort to rescue his stalemated postwar program by a

REPORTS OF HEAVY FIGHTING IN NORTH CHINA ON MONDAY

CHINESE COMMUNIST AND CENTRAL GOVERNMENT TROOPS BATTLE

By SPENCER MOOSA

CHUNGKING, Oct. 29.—(AP)—Reports of heavy fighting between Chinese communists and central government troops in North China pictured today a nation locked in civil war, real though not officially declared.

Warfare is growing in intensity in Shantung, Shansi and Suiyuan provinces, said dispatches received in Chungking.

The Chinese press attributed to Gen. Yen Hsi-Shan, governor of Shansi, now visiting Chungking, a statement that government forces suffered 15,000 casualties and communist losses "also were heavy" in fighting centering around Changchih, strategic town in Southeastern Shansi which Yen conceded the reds captured.

Independent reports said that wherever the communists were retreating along railways they were destroying tracks and blowing up bridges.

Slow Movement.

This explained the slow movement of Generalissimo Chiang Kai-Shek's troops which are proceeding along the Peiping-Hankow and the Tientsin-Pukow railroads to replace United States marines in the Peiping-Tientsin area.

Insistent reports that the Russians were supplying the communists with captured Japanese war material continued to circulate in Chungking, but no one in authori-

See CHINA, Page 6.

Robot Fighters To Play Big Role In Nation's Defense

WASHINGTON, Oct. 29—(AP)—Mere man will play a secondary role to Robot fighters who can "think" and act faster than human beings in the nation's future air defense.

"Man's mind will be too slow for combat of the future, but man's mind can devise the defense," the navy said of far-reaching peacetime research plans in aviation.

"The pilotless aircraft of the future, controlled by electronics will 'home' electronically on its target," the navy's statement last night said.

"Electronic brains will guide the counter-missle with precision. Out of research and development programs will come airborne radars which can initiate defense."

Also in the future:

Guided missiles at a speed of more than 700 miles per hour—faster than sound.

And the "three G's"—glomb, gorgon and gargoyle;

Glomb, a 4,000-poundl glider bomb, towed by a fighter plane, released and directed at its target by radio television.

Gorgon, a jet-propelled missile carried by a bomber and discharged at enemy aircraft by radio control or by its own automatic target seeking device.

Gargoyle, also a jet-propelled missile with a 1,000pound armor piercing bomb which automatically seeks out and collides with a ship target.

All Out Support Of Victory Loan Urged By Butler

Support of the Victory Loan by the citizens of Corsicana and Navarro county is urged by Joe E. Butler, county war finance chairman, "to show thangfulness to our disabled soldiers."

Opening Monday and running through December 8, this final drive honoring the men and woman, "to show thankfulness to raise an overall quota of $11,000,000,000.

County Quota.

In Navarro county alone the quota has been set at $1,905,000, with $475,000 of this designated for Series E bonds. Although the drive officially closes on December 8, the tabulation on Series E, F and G savings bonds and Series C saving notes runs through Dec. 31.

Heading the campaign in Corsicana are Fred Harvey, chairman, and A. F. Mitchell and J. L. Collins, co-chairmen. The city's quota is $1,659,200. Butler also has named chairmen for towns in the county and quotas for these towns were announced Saturday.

Funds Needed.

"Obligations incurred in the achievement of victory will drain the treasury balance quickly, and additional funds will be needed early in December," Butler said.

Among the responsibilities that must be met by the government in the immediate future are hospitalization of the wounded; their retraining so that they can make their own way in life; the clothing and feeding of those remaining in enemy nations; transportation of men home; mustering out pay, and payments for munitions already used to win the war.

Butler said a "substantial Army and Navy must be maintained until order is restored throughout the world," and that "the Victory Loan, while the last organized on a national basis, will not see the discontinuance of the sales of Series E. F. and G securities."

Nation Begins To Dig Into Pockets For 11 Billions

WASHINGTON, Oct. 29.—(AP)—The nation reaches into its pockets today to begin raising $11,000,000,000 in the last war bond drive—the Victory Loan.

Six million volunteers will assist in the campaign which got its send-off last night from Secretary of Treasury Vinson in a nation-wide broadcast.

"A successful Victory Loan will help us on the long road ahead," Vinson said. "It will help you in planning your own future. And it helps to keep the faith with those who fought for a better world."

Honoring the living and dead heroes of the armed forces, ceremonies across the country launched this final drive to "finish the job."

Among those participating in these programs were Mrs. Franklin D. Roosevelt, Gen. Jonathan Wainwright, hero of Bataan and Corregidor, Lieut. Col. James P. S. Devereux, defender of Wake Island, and Admiral William F. Halsey, Jr.

Private citizens will be asked to purchase $4,000,000,000 in bonds, including $2,000,000,000 in small denomination E bonds. The drive will close December 8.

POSTWAR DISPERSAL OF AIRCRAFT PLANTS URGED ON CONGRESS

WELL-PLACED ATOMIC BOMBS COULD WIPE OUT IMPORTANT PLANTS

WASHINGTON, Oct. 29.—(AP)—A government consultant testified today that a single atomic bomb raid in the Los Angeles area could wipe out the huge aircraft industry now centered there.

Dr. George P. Baker, consultant for the war department on planning a postwar aircraft program, appeared before the surplus property subcommittee of the senate military affairs committee. He presented a map of the California area which he said showed that six well placed atomic bombs "would eliminate all the important plants."

Baker urged immediate congressional action to assure postwar dispersal of aircraft production facilities and a continuing program to keep military aircraft factories available for any emergency.

The interdepartment committee recommended that wartime airplane plants in the following places be included in the peacetime aeronautics reserve:

Fort Worth, Texas; Tulsa, Okla., and Dallas, Texas.

Dr. Baker said the general plan would be for aircraft producers to continue manufacture of commercial aircraft on East and West Coasts and shift production of military aircraft to inland facilities.

Senator Magnuson (D-Wash) questioned this saying it would be almost as easy to hit a plant with expected new weapons on the interior as along the coast. He referred to plants of Boeing Aircraft in Seattle, Wichita and in Georgia.

Not Enough Commercial Business.

"Boeing will not have enough commercial business to take care of one-tenth of its plant in Seattle alone," Magnuson said. "The

Fire Destroyed Railroad Bridge; Trains Detoured

Fire of undetermined origin destroyed 300 feet of the Onion creek span on the Burlington-Rock Island Lines tracks in Ellis county several miles north of Emhouse Saturday night, Sam Werner, local agent, reported Monday. The Ennis fire department extinguished the flames, saving about 200 feet of the bridge.

Traffic was detoured from the time of the fire until Monday morning over the Southern Pacific Lines from Corsicana to Dallas, Werner stated. Bridge crews from Fort Worth and Teague along with local section crews worked day and night to effect a temporary repair job so that freight and passenger traffic could be resumed. Permanent repairs will be effected later.

A nearby REA line was tapped to provide suitable electric light at the site of the repairs for the all-night rush work.

An investigation as to the cause of the fire at the 500-foot span was inaugurated by railroad officials.

A pilot of a small plane was credited with seeing the burning bridge about 7 a. m. Sunday morning, according to Agent Werner, and unable to attract attention, landed his plane in a field near Bardwell, got in touch with a section official of the railroad, who notified headquarters. In the excitement, the name of the pilot was not secured. Werner credited his action with the possible saving of many lives as a stream-lined passenger train later in the morning might have plunged into the burned out bridge as it was around a curve from the direction the stream-lined train would have arrived. The pilot may have been from Corsicana, Werner said.

FIRST REDUCTION IN TAX LEVIES FOR YEARS IS ASSURED

MEASURE CALLS FOR NEARLY BILLION MORE ORIGINALLY PLANNED

By FRANCIS M. LEMAY

WASHINGTON, Oct. 29.—(AP)—The $5,920,000,000 first peacetime tax-cutting bill was headed toward final passhage today, amid new demands for a slash in federal expenditures and for a balanced budget.

The size of the tax-reduction—almost $1,000,000,000 above the limit set by the administration—caused some members of the house budget balancing bloc to balk, but they acknowledged the bill will pass despite their opposition.

Chairman Cannon (D-Mo) of the appropriations committee led the opposition, urging that tax paring now would contribute to inflation and deficit government spending. He told reporters it is "absurd" to cut taxes while asking the nation to subscribe to $11,000,000,000 in Victory bonds. He called for economy in federal expenditures, to bring them in line with revenues —and a balanced budget.

Halted by Knutson.

On the other hand, Rep. Knutson of Minnesota, senior republican on the tax-initiating house ways and means committee, hailed the tax reduction as a boon to business enterprise. Future reductions, he said, "will depend on full production and elimination of wasteful spending by the administration."

Here's what the "quickie" tax-slashing bill would do in 1946 for individuals:

1. Reduce their payments $2,644,000,000.

2. Sweep 12,000,000 low-income taxpayers off the rolls completely, and assure 10 per cent or more relief for millions of other persons earning up to $50,000 a year, with smaller cuts—down to 5 per cent in the highest pracket—for persons with incomes above $50,000.

Forgive Veterans' Taxes.

3. Set up special treatment for veterans of World War II by forgiving enlisted men all federal in-

17,792 BALES OF COTTON GINNED IN NAVARRO COUNTY

Cotton ginned in Navarro county from the 1945 crop prior to Oct. 13, totaled 17,792 bales, as compared with 21,940 bales at the same period last year, according to figures released Monday by George Campbell, special agent.

Steel Workers File Notice Of Strike Vote Plan

WASHINGTON, Oct. 29.—(AP)—The CIO Steel Workers today filed notice of a dispute with 760 steel, iron ore and aluminum companies, involving 600,000 employes and asked the NLRB to take a strike vote Nov. 28.

The petition for a strike ballot under the Smith-Connally war labor disputes act was filed with the National Labor Relations Board, War Labor Board and Labor Department by David J. McDonald, secretary-treasurer of the union.

The dispute, the notice said, was over the union's demand for a $2 a day pay raise. The union is headed by Philip Murray, who also is president of the Congress of Industrial Organizations.

Many CIO unions are demanding a 30 per cent wage increase.

A similar notice was expected to be filed shortly by the CIO-United Electrical Workers at General Electric Company plants.

Half Way Mark Near In Drive For Chest Funds

The half-way mark in Corsicana's Community Chest-War Fund campaign was approached Monday with the announcement of additional donations in the advance girts drive.

Contributions amounting to $3,088 brought the new grand total to $22,914.50. The goal has been established at approximately $50,000, $35,000 of this designated for the local Community Chest and $15,000 for the national war fund.

Plans are going forward for the general public drive in early November, Sydney Marks, president, has announced. The campaign at that time will be thrown wide open, with an organization of committees to cover the entire city.

Latest donations announced in the advance gifts were the following:

Tom D. Bailey, $25; Fred V. Blucher, $25; Rev. Erwin F. Bohmfalk, $50; Butler-Calhoun Co. $300; J. I. Cartlidge, $10; Mrs. Andrew L. Chilton, $50; City Cab Company, $50; City of Corsicana, $750; City Firemen, $10: Collin Street Bakery, $375; Dublin, Inc., $75; Miss Kate Dunn, $15; J. M. Dyer and Co., $750; Greyhound Bus Lines, $25; Mrs. Nell Jones, $5; C. L. Knox, $5.

Mrs. G. E. Mitchell, $15: Mrs. H. M. Montgomery, $25; Miss Sue B. McCrery and Miss Jodie L. McCrery, $40: W. T. McElwee $125; Hunter Nutt, $5; Jester Pittman, $25; F. D. Prince, $140: Mrs. Louis Thornell, $35; Mrs Snow M. Thornell, $5; Frances Turner, $5; Ivan Rosenberg, $135; Preston Welch, $10.

UNOFFICIAL JAPAN TAKES HOPE RESULT TRUMAN'S PROGRAM

FOREIGN POLICY MAY PERMIT NIPPON TO REGAIN PLACE AMONG NATIONS

By RUSSELL BRINES.

TOKYO, Oct. 29.—(AP)—Unofficial Japan took hope today from President Truman's enunciation of foreign policy that Nippon eventually might regain a place in the economic and political society of nations, but not one government official would comment.

Marquis Koichi Kido, one of the Emperor's closest advisers, spent the entire morning in conference with Hirohito after reading Truman's speech in Japanese newspapers. Kido's aides said they did not know whether the speech was discussed. The Mikado, described as a diligent student of Japanese newspapers, presumably had read Truman's address, which was printed at length.

The newspaper Yomiuri Hochi, meantime, reported that Hirohito's annual income was approximately $1,000,000 from stocks and extensive land holdings and that the Imperial household's annual budget was approximately $1,666,666. In its unprecedented page one discussion of Imperial finances, Yomiuri said nearly one-fifth of the budget came from public funds over which the diet had no control and the remainder from investments.

On the occupational front, General MacArthur ordered officials from St. Paul's Episcopal University, directed the Japanese gov-

PRESIDENT OF AUTO WORKERS CALLED TO CONFER WITH TRUMAN

UAW UNION LEADER REJECTS GENERAL MOTORS 45-HOUR WEEK PLAN

DETROIT, Oct. 29—(AP)—President R. J. Thomas of the CIO United Auto Workers, which today emphatically rejected a General Motors Corporation proposal for a 45-hour week, announced he had been called by President Truman to a conference at the White House at 11 a. m. Friday.

Thomas said he did not know why the President had summoned him. Although the labor-management conference was not scheduled to begin until the following Monday, he said he assumed his summons to Washington was related to that meeting.

Shortly before General Motors offered its 45-hour work week proposal, C. E. Wilson, General Motors president, had conferred with Truman.

"I don't see how the 45-hour week could do either General Motors or the workers any good," Thomas asserted.

A union leader termed General Motors' suggestion for joint action in petitioning congress for an extension of the 40-hour work week to 45 as a "conspiracy against millions of returning veterans and laidoff war workers."

General Motors, declared Walter P. Reuther, UAW-CIO vice president, "is insuring economic suicide for itself aur our whole peacetime economy."

Stalemate Exists

The corporation and union were stalemated over the workers' demand for a 30 per cent wage in-

UNIVERSAL MILITARY TRAINING PROGRAM FACING ROUGH ROAD

SENATE MILITARY COMMITTEE AND SENATE ARE SHARPLY DIVIDED

By JACK BELL.

WASHINGTON, Oct. 29.—(AP)—A demand for prompt action in establishing a universal military training program for peacetime faces a military committee as sharply divided as the senate over the issue.

Senator Gurney (R-SD) said he will ask for hearing on a measure he introduced last January. It parallels closely President Truman's proposal to tag every physically able young man for a year's war training.

Acting Chairman Edwin C. Johnson (D-Colo) forecast, however, that the committee will be in no hurry to plunge into a subject on which so many senators haven't made up their minds.

An Associated Press poll showed that of 84 senators queried, 25 included 19 Democrats and seven Republicans, most of them with varying ideas of what kind of training should be ordered.

Nineteen senators, including eight Democrats, 10 Republicans and a Progressive, registered themselves against compulsion.

INDONESIANS USED ARMORED CARS, LIGHT TANKS IN SOREABAJA

PRESIDENT SOEKARNO REPORTEDLY ARRANGED TRUCE AT BIG NAVAL BASE

By RALPH MORTON

BATAVIA, Java., Oct. 29.—(AP)—Indonesian Nationalists using armored cars and light tanks killed an estimated 25 members of the British Indian force at Soerabaja before President Soekarno of the "Indonesian Republic" reportedly arranged a truce today at the big naval base.

A British officer made the casualty estimate but did not include pockets surrounded by the natives. The officer said that many women and children in internment camps in the area had been killed by the natives.

The fighting at Soerabaja was the bloodiest of the allied occupation of the island of Java. Military equipment which the natives had taken from the Japanese included at least 20 armored vehicles, and machineguns and mortars, the officer said, adding that the hard-pressed British had used even their "cooks and cobblers" in the fighting.

Before the truce a couple of companies of Rajputana rifles fought desperately from the Darno Hospital and the British Consulate. A company of British engineers at the Darno barracks and Darno station, where the bitterest fighting took place, radioed: "Running out of ammunition. Unless you send help we'll be overrun."

Fear Women, Children Killed.

One British company detailed eight men to protect a jail where there were 35 Dutch women and children. The company commander reported that he heard several shots at the jail followed by screams and said he feared the building had been overrun and the internees killed.

Asked how many natives, the British had taken prisoner, Maj. J. R. H. Orr of Poona, India, said: "We had quite a few, but I think we just took their pants off and let them go." Later he said that seven natives were being held.

Siekarno rushed to Soerabaja in an RAF plane in an attempt to get the natives to halt the fighting.

Flew to Soerabaja.

I flew with Soekarno and two of his cabinet into Soerabaja and returned to Batavia in the only plane to get in and out of the naval base. When we arrived we found the airstrips under fire and held by a thin patrol of British Mahrattas.

As a result of the subsequent truce firing died down in the headquarters area of the British 49th brigade and in the center and Southwestern portions of Soerabaja. A certain amount of firing still was going on in other areas of the city, but it was reported that the situation generally was quieter.

Battle Casualties

The first six hours of the battle were known to have taken the life of one Indian Sepoy. A British of-

TEXAS BEGAN ITS VICTORY LOAN DRIVE WITH CELEBRATIONS

AT LEAST EIGHT CITIES OF STATE STAGED SPECIAL EVENTS

By The Associated Press

Texas begins its $207,000,000 Victory Loan Drive today (Monday) with special celebrations in at least eight cities.

Houston, Dallas, Fort Worth, El Paso, Brownsville, Wichita Falls, San Angelo and Orange plan special events inaugurating the drive.

At Houston, the city was to be presented with a six-inch gun from the original cruiser Houston sunk in the early part of the war off Java. The ceremony was scheduled today aboard the second cruiser Houston.

Lt. Gen. Ira C. Eaker, deputy commander of the Army Air Forces, and chief of air staff is to be in Fort Worth participating in ceremonies there. He will review army and navy personnel in a parade this afternoon. Tonight he will be honored at a dinner meeting in connection with the Victory Loan Drive.

In Dallas, workers in the drive will hear an address by Wick Fowler, Dallas News war correspondent.

The Victory Loan Drive is combined with a celebration honoring returning members of the "Lost Battalion" at Wichita Falls.

Rio Grande Valley loan workers meet today aboard an LST docked at the Port of Brownsville, where they will continue plans for the drive. A breakfast was to be given key workers aboard the submarine Kingfish docked at Orange.

While San Angelo parades, El Paso workers planned a mass solicitation early today.

(Citizens in Sonora and Los Fresnos have reported their Victory Loan goal had been topped two days before the drive officially began.

NEWS THAT STALIN IS STILL IN GOOD HEALTH HAILED BY WORLD AS EXTREMELY IMPORTANT

By DEWITT MACKENZIE
AP Foreign Affairs Analyst.

U. S. Ambassador W. Averill Harriman's report that Marshal Stalin isn't ill, as had been widely rumored, but is in good health, is big news.

They say no man is indispensable—that anyone's place can be filled. But history provides instances which disprove the general rule As a supreme and unquestioned head of the Soviet Union, Stalin wields such vast individual power that fate most certainly would be making a rash gamble if she removed him from control at this moment of world crisis.

One doesn't have to believe in communism or even to agree with all of Moscow's actions, in order to recognize this fact. Russia has other able statesmen, but Stalin's leadership has been unique. His word is accepted by his followers as final, and so it has come about that in international affairs his voice is the voice of the entire Soviet Union.

The signs long have been that no important decision is taken without Stalin's approval. I may have mentioned in a previous column that recently I heard an internationally known military personage state that the marshal, not only in name but in fact, was the generalissimo of the Red armies The broad strategy for the whole Soviet effort is said to have been his, and it was the opinion of the general in question (who wasn't a Russian) that Stalin is one of the great strategists of his time.

What has been true of war has been true of other things. The political strategy is credited to him. And going back a score of years to the time when he took over the leadership after Lenin's death, we find him charting the great Soviet industrial program, after ousting the fiery Trotsky who wanted to

BISHOP SMITH WAS BANQUET SPEAKER FOR METHODISTS

AFFAIR WAS IN HONOR ALL WORKERS OF FIRST METHODIST CHURCH

Never before in the world's history has the church such a responsibility as it has today stated Bishop A Frank Smith of Houston, who was the principal speaker at the Appreciation Banquet tendered to the workers of the church organization of the First Methodist church in the Educational building Friday night. Some 250 were present for the banquet, served by the women of the Woman's Society of Christian Service.

The invocation was given by Rev. R. Otis Sory, pastor of the First Methodist church in Hillsboro, former district superintendent of the Corsicana district. Rev. Erwin F. Bohmfalk, the pastor, presided and led those present in a brief sing-song.

Bishop Smith, after spending some time relating his boyhood days spent in Corsicana, stated that he united with the church in Corsicana, and told of various experiences he had had with many of those present Friday night. He stated that in this machine age we must spiritualize the machine or go down in defeat. He stated the church had the answer to the dread of the atomic bomb, and that was, to live as Christ taught, to love, forgive and be worldwide brothers.

He said all the treaties, peace pacts and trade agreements would not save the world but the practice of the spirit of Christ would. He said it was church people who believed in the teachings of Christ who could save the world. The speaker stated that never before had there been such shift in population as had been evident in the United States in the last six years.

He stated that he did not fear the material gains of this part of the Southwest, but he was fearful of its spiritual and moral condition along with the material gains.

Reports Heard.

Under direction of the pastor, reports for the year were made by various chairmen of the church committees.

Following these reports, the fourth and last quarterly conference was held under direction of Rev. Finis A. Crutchfield, district superintendent. All reports showed that the church had one of its best years in its history and plans were outlined for activities the coming year.

Resolutions were adopted asking for the return of Rev. Mr. Bohmfalk as pastor and Rev. Finis Crutchfield as district superintendent.

W. H. Norwood was re-elected general Sunday school superintendent; Chas. Joe McAfee was voted a license to become a Methodist minister and stewards for the new year were elected upon nomination of the pastor.

Board of Stewards.

The following stewards were elected for the new year:

O. L. Albritton, E. E. Babers, Chas. T. Banister, J. W. Bays, S. W. Burdine, E. E. Burkhart, Dr. W. W. Carter, J. Lloyd Chambliss, John R. Corley, Dr. J. W. David, W. Lewis David, F. B. Dawson, J. T. Eady, T. A Farmer, Embry Ferguson, L. P. Forsythe, A. E. Foster, H. E Gardner.

Gaston T. Gooch, L. I. Griffin, F. H. Harvey, Jr., Mrs. A. E. Haslam, Liston J. Herod, J. J. Hillbert, L. L. Hruska, J. L. Jackson, C. E. Keathley, Moyne Kelly, Dr. H. B. Love, R. C. Marshall, Boyce Martin, W. Art Martin, Jr., J. W. McCammon, W. P. McCammon, K. L. McKeown.

George McPherson, H. E. Metcalf, S. J. Miles, Jr., L. M. Morton, E. C. Mueller, J. S. Murchison, W. H. Norwood, Festus A. Pierce, Bill Robinson, Dr. A. W. Rogers, B. Lynn Sanders, W. E. Slaughter, J. Floyd Smith, M. H. Statham, W. P. Murchison.

H. R. Stroube, G. L. Tatum, Ralph Tatum, J. S. Tekell, A L. Thompson, R. G. Thompson W. B. Waddell, J. Dave Walker, T. J. Walton, C. C. Weatherford, C. A. Weideman, Sam B. Werner, Claude L. White, Mrs. J. A. Wilkinson, Joe York.

Honorary—Lod Allison, C. W. Bennett, J. C. Roe, Billy Tatum.

Emeritus—H. A. Clowe E. D. McCarver, Mrs. J. W. David, J. B. Fortson.

Mrs. Aileen McCann has returned to Austin after a visit with her sister, Mrs. S. K. Breitz and family.

VICTORY FOR THE VICTORY LOAN

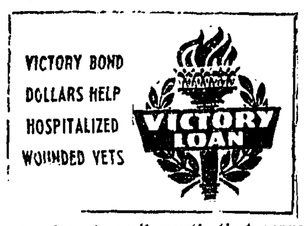

(An Editorial)

The men and women holding the homefront bastions have one more battle to win.

The same unselfish and loyal spirit so evident while the members of our armed services were fighting a global war must again prevail.

Victory for the Victory Loan is the slogan.

We've won the war, or have we? To be sure, we've won the fighting. But, no, we haven't won the war. Because in order to win the war we must win the peace first. And just as long as there is an armless veteran without a new arm and trained for a job he can do, we haven't won the peace.

We haven't been told such things as this too frequently. But the war's cost and veteran assistance will total about 434 billion dollars by next June. That's a staggering sum, but freedom is well worth that many times over. Someone must pay this cost and that someone is all of us.

This is one of the reasons why our government planned the Victory Loan Campaign for 11 billion dollars. That is why this money is needed to give hospitalization, training and opportunity to the men who sacrificed so much for us, so that we could one day raise the roof when Japan surrendered.

Corsicana and Navarro county's pro rata part of the national quota is $1,905,000.00. Of this mount the local quota in Series E bonds is $475,000.00. In other words the citizenship of this community is still obligated to our fighting men and women in the sum of approximately 2 million dollars. A trivial sum compared to the personal sacrifices and unbelievable hardships suffered by the thousands from Navarro county in the armed forces.

Sure we bought war bonds. But that was to win the war. We didn't want to get licked and overrun by a horde of enemies. Not us. So we bought war bonds. But now, comes the test. With no enemy available to overrun us if things go wrong we must not become selfish.

We still have a job to do. Our boys are still in Europe and Japan and will continue to be there a long time. They'll need clothes, food, the best of everything. That is another reason for the Victory Loan.

Freedom—even the winning of the war—comes high. But it's worth it.

Do you agree?

Patriotic Citizenship Is Called Upon To Invest In Victory Loan Bonds

Corsicana and Navarro County Monday face obligations incurred in the achievement of victory, obligations amounting to $1,905,000.

These obligations may be met from October 29 to December 8 by the purchase of Victory Bonds in the Victory Loan, Joe E. Butler, Navarro County War Finance chairman, said today when he announced the organization and quotas for the final drive.

Help For Disabled

"The aftermath of the war carries grave responsibilities that must be met," Butler said. "The quota is needed for disabled veteran rehabilitation, retaining of others, hospitalization and other costs attending the peace'.'

"If the Victory Loan is to succeed, we will need the fullest possible support of every patriotic citizen in Navarro County," Butler asserted. "Let's try to make this a glowing tribute to the men in uniform and the cause for which so many gave their lives."

Again heading the Corsicana drive are Fred Harvey, chairman, and A. F. Mitchell and J. L. Collins, co-chairmen. This city's quota is $1,659,200.

County Quotas

Chairmen in the county and their designated quotas were announced by Butler as follows:

Kerens, R. P. Walker, chairman, $49,000; Dawson, C. M. Newton, chairman, $40,000; Frost, J. B. Shaw, chairman, $27,500; Blooming Grove, Bruce McCormick, chairman, $27,500, Richland, Jim Richards, chairman, $22,500.

Rice and Tupelo, A. C. Hervey, chairman, $24,000; Powell, Sylvan Stucker, chairman, $18,500; Eureka and Mildred, L. B. Bonner, chairman, $6,000; Barry, G. A. Bell, chairman, $3,000; Corbet, J. D. Skinner chairman, $1,500; Roane and Montfort, John J. Bryant, chairman, $6,000; Navarro, Clint Fouty, chairman, $6,000; Purdon, A. C. Davis, chairman, $4,800; Emhouse, Hubert Brown, chairman, $4,000; Chatfield, Earl Easterling, chairman, $4,000, and Pursley, W. B. Payne, chairman, $1,500.

Although the drive ends on December 8, tabulation on Series E, F and G Savings Bonds and Series C Savings Notes runs through December 31. Series E Bonds quota is $475,000 of the overall quota of $1,905,000.

New Type Bond

Chairman Butler announced that a new type bond will be issued during the Victory Loan. It is in memory of "the late President Franklin D. Roosevelt," he said, "and is for $200 at maturity in the Series E group. This Victory Bond honoring a great man and leader will sell for $150. It carries the likeness of Mr. Roosevelt and was designed especially in his honor."

"And so," Butler said, "we honor those who have gone as well as those who have come back in need of care and attention, in the Victory Loan."

Mesdames Robert Hill, J. L. McCulloch and Paul Potts of Dawson were in Corsicana on Saturday to attend the Nevin Club luncheon at Kinsloe House as the guests of Mrs. Potts mother, Mrs. M. A. Royall.

STATE HOME LADS DEFEATED FROST IN TORRID GAME

AERIAL GAME FLASHED BY FROST; STATE HOME STILL UNDEFEATED

By PAUL MOORE,
Sun Sports Editor

State Home Lads remained undefeated and untied in their quest of the championship of District 18-B, Interscholastic league, Friday evening at Garitty Field but only after one of the toughest contests of the season, State Home downed an inspired Frost Polar Bear eleven, 21-13, but the melee was closer than the score indicated and the outcome did not become apparent until with only a minute or so remaining when Pillow intercepted a Frost pass and ran 65 yards untouched with J. Baker running the extra point over.

After the two elevens had "rocked and socked" each other without a score during the first half, things picked up in the last two periods.

The first two quarters saw the two teams slugging it out most of the time without any serious scoring threats. Both displayed exceptional defensive tactics while absorbing terrific punishment as they stopped the offense of the opposition.

Leads Threatened

State Home received the kick-off and marched down the field with a finely-functioning ground game that kept the heavier but slower Frost boys in trouble. When within the shadow of their own goal the Frost contingent dug in and gained the pellet on downs on their 11-yard zone. Frost came back strong and later State Home gained the ball. A Frost punt was blocked on the Frost 40 and later the Polar Bears recovered a fumble on their 40 as the first quarter ended.

Frost stopped a State Home drive on her 18 and Vinson intercepted a pass and ran it back into State Home territory shortly before the half ended.

The State Home band and drum majors entertained the large crowd during the intermission.

State Home struck early in the third period when Brown, a threat all of the evening, unreeled one of his spectacular and serpentine glides down the turf for 64 yards and a touchdown after J. Baker had ripped the Frost line for 17 yards on the opening second half play. J. Baker ran the ball over for the extra point to make the scoreboard read State Home 7 Frost 0.

FROST'S FIRST SCORE

The West Navarro County contingent, however, was not discouraged when trailing. Taking the ball deep in their own territory the Bears came down the field in a sustained advance with Hooser Vest and Vinson doing the ball-lugging chores, along with Neel, a hard-driving back. Neel ripped 8 to the State Home 7 and lost two. Then Neel circled the right end for the touchdown and Vest dived through the line for the extra point to tie the score at 7-all.

Frost later drove 25 yards to her own 40 as the third period ended 7-7.

EXCITING FOURTH QUARTER

Frost came back strong in the final period, but the aerial thrust proved her undoing. Vinson rammed 14 yards and another first down at left tackle. Frost drew a 5-yard penalty for excessive time out and later State Home was assessed 15 yards for holding. Hooser made a yard to the State Home 30 and then State Home intercepted a pass on her 35 to stop the Polar Bear threat. Later Brown made 13 yards to the Frost 21 and then Jones scored after circling left end on the old Statue of Liberty formation that has been winning ball games and touchdowns for decades. Pillow ran the gall over to make the State Home lead, 14-7.

FROST SCORE DAGAIN

One of the most spectacular plays of the game came before the enthusiasts in the stands had recovered from the excitement of the second State Home marker. Neel dropped back and flipped a pass toward Malone. This sterling end grabbed the ball about one foot off the ground on the Lads 25-yard line for a 17-yard pass and he ran the remaining distance, but Vinson's attempted plunge over for the conversion that would have tied the score was short. State Home 14, Frost 13.

PILLOW'S GREAT RUN

Vinson of Frost pounced on a Lads fumble on the State Home 34-yard line with only minutes remaining to play. Trailing by a point, the quarterback of Frost gambled on a pass in an effort to score and win. Pillow came out of nowhere to intercept a heave and behind some interference but principally on his own flying heels, he dashed away down the field for 66 yards to cross the Frost goal line untouched and for good measure J. Baker rammed over for the extra point to end the scoring for the evening.

The heavy Frost line battered their lighter opponents hard all evening and it was a hard-fought but cleanly played affair. A number of Corsicanans witnessed the melee while Frost was well-represented.

The losers made more first downs, but their advances did not run up yardage as did some of the long jaunts of the elusive and hard-hitting State Home backs.

The loss by the inspired Frost combination removed them from the race for the district championship as they had previously lost one game.

STARTING LINEUPS

Frost—Malone and B. Jones, ends; Thomason and Omberg, tackles; J. Jones and Scott, guards; Hooser, center; Neel, C. Hooser Vest and Vinson, backs.

State Home—Carrington and Bottoms, ends; V. Lawrence and Turner, tackles; Bridges and Litton guards; Wagley, center; Rawls, J. Baker, Pillows and Brown, backs.

SUMMARY

First downs—State Home 13 Frost 17.

Passes—State Home attempted 2, one incomplete and 1 intercepted Frost completed 5 for 112 yards incomplete 8, intercepted 3.

Penalties: State Home 3 for 25 yards; Frost 1 for 5.

Punts—Frost punted 5 times for 97 yards; State Home 2 for 76.

SCORE BY PERIODS

State Home	0	0	7	14	21
Frost	0	0	7	6	13

Gains rushing—State Home 261 Frost 175.

Losses rushing—State Home 33 Frost 35.

MACKENZIE

CONTINUED FROM FIRST PAGE

throw all Russia's energy into making world revolution.

Well, now, you couldn't remove a captaincy like Stalin's without at least temporarily causing confusion in Russia and consequently over the globe at large. It could easily produce grave results in the midst of the critical situation which now exists throughout Europe and Asia, and will continue for many months.

So it's a relief to learn from Ambassador Harriman that the marshal not only is well, but appears greatly refreshed by his vacation in the Black Sea region.

As President Truman said in his New York address Saturday, the present differences among the allied powers are not hopeless or irreconcilable. However, differences are like weeds—they grow fast and strangle the good plants unless uprooted.

If the fresh exchange between President Truman and Marshal Stalin gets the Big Three back onto the straight and narrow path, it will be a great achievement of statesmanship.

AIRCRAFT

CONTINUED FROM FIRST PAGE

aircraft industry cannot rely on commercial orders for postwar. One or two companies will forge ahead and the rest will soon drop out."

Peacetime production 3,000 military airplanes yearly was recommended today to a senate committee by a War Department consultant.

Dr. George P. Baker, special consultant, proposed in a report to a senate military affairs subcommittee an eight-point program to keep the aircraft industry ready to meet any war emergency.

Its main points were:

1. Thorough testing of the developing weapons of airpower so they will be ready for large scale production if needed.

2. Production of 3,000 military planes, with airframe weight of 80,000,000 pounds, yearly to maintain a reservoir of engineering, tooling and production skills.

3. Making surplus government aircraft plants available to private industry on "favorable terms."

4. Dispersion of the aircraft industry, at a cost of from $15,000,000 to $20,000,000.

5. Expenditure of $5,000,000 yearly by the army and navy to plan and organize an expansion program for use in case of war.

6. Government ownership of aircraft, airframe and engine plants with a floor space of 26,000,000 square feet.

7. Maintenance of a reserve of 65,000 general purpose machine tools.

8. Assurance that an intelligence service will warn of attack. Preparation in advance of industrial mobilization plans to meet the attack and preparation of an over-all program for raw materials and fabricating capacity.

Baker recommended that this program be undertaken immediately. He said it would not wait until the status of new weapons is clarified.

"If we are perpetually waiting for new developments to mature," he said, "we shall end up by being unprepared to produce anything."

Robert A. Lovett, assistant secretary of war for air, was called before a senate military subcommittee to present the results of a two-year study on the necessary volume of army and navy aircraft in peacetime and the disposal of government-owned aircraft plants.

The study was made jointly by the army, navy, and commerce departments.

Chairman O'Mahoney (D-Wyo) of the Surplus Property subcommittee told a reporter it stressed "The importance of preserving the geographical dispersion of aircraft production achieved during World War II."

The government owns, he said, 100 per cent of synthetic rubber facilities, over 75 per cent of facilities for making aircraft and 52 per cent of those for making aluminum.

"What are we going to do with it?" he asked. "In expanding industrial facilities for the war the government contributed $16,000,000-000 or four-fifths. We have government ownership, and are trying to establish private ownership."

To this end, O'Mahoney added, congress and the Surplus property administration need cooperation from every field—government, management, labor and consumers.

Blooming Grove Boy Has Fractured Arm

Billy Hargrove, Blooming Grove High school, is in the Navarro Clinic suffering a fractured elbow sustained Friday afternoon while playing football.

Mstr. Sgt. Albert Douglas spent several hours with his parents, Mr. and Mrs. A. B. Douglas on Sunday, enroute from Japan to Fort Sam Houston. Sgt. Douglas spent more than two-and one-half years in the South Pacific, having been stationed in Hawaii, New Guinea, Dutch East Indies, the Philippines and Japan.

FUNERAL SERVICES FRIDAY AFTERNOON FOR MRS. R. L. HODGE

PIONEER READENT OF NAVARRO COUNTY DIED AT CHATFIELD THURSDAY

Mrs. R. L. Hodge, aged 80 years died at the family home in Chatfield Thursday afternoon. Funeral services were held from the family residence Friday afternoon at 4 o'clock with interment in the Chatfield cemetery. The services were conducted by Rev. Robert Kennaugh, rector of St. John's Episcopal church, Corsicana, and Rev. Leslie Seymore of Ennis.

Born Mary Page Pannill, May 6, 1865, on the old Battasea Plantation near Telico, Ellis county, she was married to the late R. L. Hodge, Feb. 12, 1884 and immediately moved to the home in which she passed away. She was the daughter of Major Henry Pannill who had left Petersburg, Va., at the outbreak of the Civil War when the blockade ruined his business and went to Louisiana where he was supply and salt man for the Confederate government. When the Mississippi river's control passed to the Federals, Major Pannill came to Texas and with Judge Ira Perkins, confederate Senator from Louisiana established the Battasea Plantation.

Surviving are eleven children, F. P. Hodge, Electra; H. P. Hodge Wichita Falls; Mrs. J. B. Harper Gilmer; L. P. Hodge, Goose Creek; J. M. Hodge, J. P. Hodge and Mrs. O. B. Peterson, all of Chatfield; O. S. Hodge, Electra, R. F. Hodge, Brownfield; G. H. Hodge Amarillo, and Mrs. Louise Burkhead, Dallas; and a large number of other relaties, including Mrs. W. H. Hastings and Mrs. C. H. Highnote, both of Corsicana nieces; R. H. Witherspoon and B. F. Marchbanks, both of Chatfield, and Judge William Pannill Fort Worth, nephews. Two children preceded their mother in death.

Mrs. Hodge was a public spirited and charitable woman and was a sister of the late Dr. Willim Pannill and late Mrs. M. S. Clayton, both of Corsicana.

Pallbearers

Pallbearers were H. R. Stewart H. B. Bomar, Jules Kelt. William Thorp, Earl Eastering and Rod Kenner. Honorary pallbearers included Hon. William Pannill Paine Pannill, N. W. Pannill, F. C. Pannill, C. H. Highnote, B. K. Marchbanks, W. H. Marchbanks R. H. Witherspoon, Dr. Homer Bond and friends of the family.

McCammon Funeral Home directed.

AT CAMP ROBERTS—Pvt. James B. Preston, 18, U. S. Army infantry, is now stationed at Camp Roberts, Calif., where he is taking basic training, according to information recieved by his wife, Mrs. Almeda Preston, 404 South Thirtieth street. Prior to entering the service in August 1945, Preston was employed at Aston's Food store. He is a graduate of the Waxahachie high school.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion, blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

ANNUAL HOMECOMING CELEBRATION FROST PLANNED FOR NOV. 11

FROST, Texas, Oct. 26—Final plans for the annual Homecoming celebration here, Nov. 11 have been announced by officials in charge.

Rev. D. P. Cagle of Huntsville formerly of Frost and Corsicana will deliver the homecoming address at services in the Frost Baptist church. C. R. Patterson will give the welcome address to the Homecomers and Mrs. E. L. Evans of Dallas, former resident, will give the response.

Chas. McMichen, mayor of Centerville, formerly connected with the Frost schools, will also appear on the program, while special music will be provided by the combined choirs of the Methodist and Baptist churches.

The service will be dedicated to "our boys who have served and are now serving their country."

The program committee is composed of Mrs. J. D. Holland, Mrs W. F. Bonnett, Mrs. Clyde Smith Mrs. George Morgan and Mrs. Ordway Mitchell.

Frost sponsors a homecoming celebration each November 11 and hundreds of former residents of that community return each year when possible. One of the largest attendances in recent years is expected this year as many were unable to attend during the war-time because of travel restrictions.

FUNERAL SERVICES FOR M. B. PATTERSON ARE HELD SATURDAY

Funeral services for Matthew B Patterson, aged 71 years, who died at the family residence, 941 West Sixth avenue, Thursday afternoon after an extended illness were held from the North Side Baptist church Saturday afternoon at 3 o'clock. Burial was in Oakwood cemetery. The rites were conducted by Rev Jack Goff, pastor of the church, and Rev. D. R. McCauley, pastor of the Central Methodist church

Surviving are two sons, L. D. and W. O. Patterson; two daughters, Mrs. Sam McDonald and Miss Nora Patterson, all of Corsicana, and five grandchildren.

Pallbearers were Aubry McDonald, J. W. Dunlap, John Stubbs, Dewey Patterson, Boy Brown and Walter Johnson.

Corley Funeral Home directed.

District 18-B Games Unreeled Friday P. M.

Hubbard and Frost clash in the feature tilt for Nov. 2 in District 18-B. Interscholastic league. Other tilts include Mildred at State Home, Trinidad vs. Coolidge. Kerens vs. Blooming Grove and Dawson vs. Wortham.

Friday's Results

State Home 21, Frost 13.
Coolidge 26, Mildred 0.
Trinidad 18, Blooming Grove 0.
Hubbard 40, Dawson 6.
Kerens 7, Wortham 6.

Capt. J. L. Beasley, Army Chaplain, Is Pacific Veteran

Capt. James L. Beasley, Army Chaplain Corps, who is doing field work from the Dallas recruiting office, has been visiting the Corsicana recruiting station and expressed a desire to fill a local pulpit some Sunday.

Captain Beasley has met several pastors while in the city and accompanied the Corsicana High school band to Hillsboro for the football game between the teams of those two schools.

Back in the states after a year and a half of combat in the Pacific Theatre of Operations, Capt. Beasley is putting his experience to use for the Army's "Guardians of Victory" recruiting drive.

Captain Beasley, a Methodist minister from Baker, La., volunteered for service in December, 1942. After attending the chaplain's school at Harvard University, he was assigned to Camp Hulen, Texas. In early November, 1943, the fighting chaplain was alerted and sent overseas with the 356th AAA, Searchlight Battalion. He saw action on the New Hebrides Islands, Guadalcanal and Tulagi.

In June, 1944, he was transferred to the 19th Armored Group and went to the Hawaiian Islands. Completing almost a year on the Hawaiian Islands, and a year and a half of overseas duty, Chaplain Beasley returned to the States.

Capt. M. A. M'Afee Arrives In States

Capt. Milton A. McAfee will arrive in Corsicana next week to visit his parents, Mr. and Mrs. T. R. McAfee, 1813 Woodlawn, after 18 months overseas service with the Tenth Air Force in India. He was stationed near Calcutta.

Capt. McAfee arrived in the States Wednesday night and is now en route from New Jersey to San Antonio, where he will receive furlough orders. His wife lives in Dallas.

Lieut. and Mrs. R. B. Bowen, Jr., and daughter, Betsy, will return today from Houston where they have been visiting relatives.

JOB OPPORTUNITIES LOCALLY HAVE BEEN SHOWING INCREASE

Employment opportunities have been on the increase during the past two weeks at the U. S. Employment Service office here, according to W. B. Reedy, manager, and it is assumed that re-conversion problems throughout the nation have contributed to this fact, since local employers' activities are based on materials and supplies available from other areas.

Returning service men constitute the major part of new applications received at the local office. Army and Navy speed-up programs for demobilization have increased the applications.

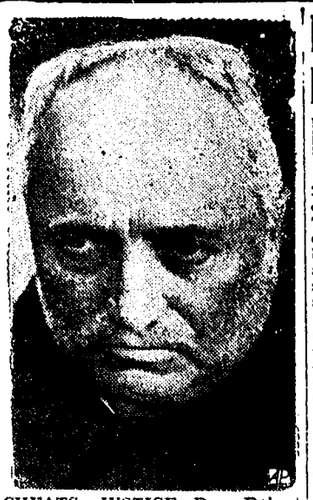

A total of 26 were referred to jobs during the Week of Oct. 18-23, with 23 hired. There were 62 registered for work with 150 employments opportunities. The principal manpower available are office workers, truck-drivers, automobile mechanics and laborers.

Principal current demands for labor here are for unskilled laborers, railroad workers, carpenters, machinists, linesmen, wool pressers, cab drivers and laundry workers.

Prevailing wages or 'take home' pay is given by many applicants as the reason for non-acceptance of local employment opportunities.

Accepts Church Call

BLOOMING GROVE, Oct. 26.—Rev. Charlie Hall of Waco has accepted the call of the First Baptist church as pastor for the ensuing year. The new pastor has been called on a full-time basis. Heretofore the pastorate has been on a half-time basis.

CHEATS JUSTICE—Dr. Robert Ley, above, one of the major Nazi war criminals slated to face trial in November, committed suicide in his Nuernberg jail cell last night. Fifty-five years old, Ley rose in party ranks to become leader of the German "labor" front (the word is quoted because Ley wiped out the unions), and controlled 95 per cent of all gainfully employed persons in the Reich. He wrote editorials with a poison, Aryan pen fought the Catholic Church, and when captured by the Americans last May tried to pass himself off as a Dr. Ernst Distelmeyer, failed attempted suicide and failed again.

Mesdames Guy Buck, Walter Castles, Rube Bennett and Miss Anna Belle Cavendar have returned from Amarillo where they attended the state Eastern Star convention.

L. S. KEEN NAMED PRESIDENT FROZEN FOOD LOCKER ASS'N.

COLLEGE STATION, Texas, Oct. 27.—(Spl.)—L. S. Keen of Corsicana was elected president of the Texas Frozen Food Lockers Association here Thursday night at a banquet attended by 200 members and representatives. A three-day short course ended Friday, sponsored by the Association and Texas A. and M. College, bringing together owners, operators and managers of frozen food locker plants for analysis and discussion of the various problems facing the industry. This is the frist short course held since 1941.

Dew Resident Dies

FAIRFIELD, Oct. 27—(Spl)—C. J. Larkin, aged 69, died at his home in the Dew community Sunday and burial was in the Dew cemetery Monday.

Near surviving relatives are his wife and daughter, Mrs. S. H. Atchley.

Funeral Services Held Monday For Mrs. A. A. Glenn

BLOOMING GROVE, Oct. 26.—Funeral services for Mrs. A. A. Glenn, aged 74 years, who died Sunday, were held Monday afternoon with interment in the Grange Hall cemetery.

Survivors are three sons, John C. Glenn Waxahachie; E J. Glenn, Blooming Grove, and Jim T. Glenn, Mission; a daughter, Mrs. W. H Wiggs, Blooming Grove; a number of grandchildren and other relatives.

Mrs. Early Hubbard Died Wednesday In Local Hospital

Mrs. Early Hubbard, aged 58 years, of Navarro Mills, died in a Corsicana hospital Wednesday.

Funeral services were held from the Dawson Baptist church Thursday afternoon with burial in the Dawson cemetery.

Survivors are her husband and two children.

CORSICANA, TEX., OCT. 30, 1945

WORLD-WIDE LULL

We Americans just now are priding ourselves on the superior bombs we have created. Every little while there are announcements telling of some new victory in the endless quest of bigger ways of eliminating enemies. And there need be no doubt that our enemies—past, present and prospective—are not so idle as they seem. Many fear that this peace itself may only provide a lull before another conflict.

There seems also to be a general assumption that if these big wars are renewed the world's wealth and manhood will be poured out as lavishly as ever or more so.

Where are all our peace societies now? Where is the good will to men and nations that we have heretofore assumed as a matter of course, oven while engaged in war? Is mankind not making a terrible mistake in seeming to assume that destructive wars are inevitable? That man is primarily a fighting animal instead of a friendly and co-operative being?

This is the time of all times to welcome and practice brotherhood among men—to cultivate good will as we never did in our lives before—to realize that without it our civilization might perish.

MACARTHUR

Gen. Douglas MacArthur is said to be unpopular with the army. He is scholarly and aloof, by no means a back-slapper. Even in what sounded like his farewell to arms his men could hardly cheer when he expressed himself in such words as "the victory was a triumph for the concept of the complete integration of the three dimensions of war—ground, sea and air."

Nevertheless it must be admitted that Mac has done a very good job. He knows the Orient. He emerged from retirement like old Cincinnatus, and when Japan fell into his hands with ease more apparent than real he began at once to handle her affairs with competence and foresight. He well deserves his nation's gratitude.

WAR PENALTIES

According to a current estimate of war expenses it cost France about $98,000,000,000 to fight her recent war against German aggression. Germany's costs for that enterprise are not quoted, but her losses, supplanted by the penalties and limitations now being imposed on her, may be more than she can ever pay.

There seem to be no more "fresh, jolly wars" such as Kaiser Wilhelm welcomed in his good old days. There can be no gain except for the winner, and his gains are unstable, wasting away in the immense cost of modern warfare.

IS OUR JOB FINISHED?

The termendous pressure being put on Congress to bring service men home means a much quicker demobilization of arms and men than was anticipated. Perhaps it is quicker than it is sound. It is symbolic, a typical American attitude. It is the sort of thing that makes England and Russia look with misgivings on a nation which can forget danger so quickly.

It is an American habit to leave the game prematurely? Undeniably there is a readiness to drop consideration of the world's troubles, or world cooperation. The United States rapidly is returning to an almost adolescent absorption in its own affairs. Are we forcing our allies to seek dependable friends elsewhere? If so, it gives Germany a spark of hope—she is in the middle again.

Power spheres may develop once more, groupings of smaller nations around the Big Three, and among them in such a situation Germany could find a berth. For the United States this is a swing from a world plan of international security that would give all nations, big and small, Americans among them, an equal opportunity to try to live peaceably together. Is our country interested only in having international war relations, and not in peace connections?

STATESMANSHIP

Perhaps it takes statesmanship of a new type to grapple with this present-day world. Unheard-of problems come so fast that there is little time to understand them and provide remedies.

In a recent radio statement Dr. Frank Kingdon made this discouraging statement:

"All that Gen. Marshall proposes will not defend the country against our present weapons if any nation chooses to employ them. Four million men leaping to arms will not prevent the total destruction of New York City by one atomic bomb released from outside this country in 1965."

The implications of the time and mechanical progress in that statement should not be overlooked. and we may not have 20 years to make this world secure. Certainly we shall soon have to get rid of our smug assumption that the two big wars we have just won have settled everything. Most people do not see yet that this is a new world, with new and difficult problems which we have hardly yet begun to think about.

HOW LONG IS MEMORY?

The renewed pleasure of touring turns up some startling eye-openers for those who have not driven during the war through the center of towns more than 25 miles from home. Dwarfing all new sights is the Roll of Honor. No two appear alike in design. That makes no difference as to contents, which are precious names, 12,000,000 of them in the United States. This is an astronomical figure, for no one has ever seen one million men at one time. On driving through a village of 500 population, where 125 names of its men and women are memorialized on the green, the traveller begins to realize the toll this nasty business of war has taken. Those who know what the gold star means see the Rolls of Honor as masses of blurred lettering and speed by, wondering if, come another year, these memorials will be forgotten, obliterated by rain and snow and sleet.

Individuals who do not return will not be forgotten by those who loved them. The total sacrifice must not be forgotten by the nation. They died to make this a free and peaceful world. Dare we fail them? How long is momory?

We learn with disappointment that political scandals in Argentina are no better than old-time scandals here at home. But they do more shootnig.

Edgar A. Guest

U. S. N.—1775-1945.

For seventy and one hundred years
the navy lads have sailed
The seven seas to guard the flag,
and never once have failed.
They've braved the bergs of northern lanes, typhoons and tropic gales
And for tradition's golden book
have lived heroic tales.

They've spread their canvas to the winds, then hauled it down for steam.
They've built into accomplished fact what genius used to dream.
Their list of glorious names is long: Paul Jones to Ernest King
And in between are countless more to whom will memory cling.

There's Nimitz now and Halsey, too and every boy and man
Who trod the decks and trained the guns that overcame Japan.
Afloat, submerged and in the air!
How true the course it steers!
A navy that has kept the faith one hundred seventy years!

MR. AND MRS. J. A. YOUNG

MR. AND MRS. J. A. YOUNG FETED WITH OPEN HOUSE ON GOLDEN WEDDING ANNIVERSARY

Dr .and Mrs. W. Harvey Young of Washington, D. C., entertained with open house at Kinsloe House on Saturday evening in observance of the golden wedding anniversary of Dr. Young's parents, Mr. and Mrs. J. A. Young. Guests were greeted by Mrs. Edgar White of Navarro, and invited into the Autrey-Kelly Room where the honorees were assisted by the following children and grandchildren in receiving more than two hundred and seventy-five friends and relatives: Mrs. M. D. Cooper, Elizabeth Ann and Charles Cooper, Dallas; Dr. and Mrs. W. Harvey Young, Washington, D. C.; and Mr. and Mrs. John C. Young, John and Linda Young, Waco; Mrs. Vern Rohrer, Boise Idaho; Mr. and Mrs. Albert Young, Jr., Cameron.

J. A. Young, now a retired farmer and extensive land owner, and the former Miss Annie Hammonds, were married in Corsicana on October 27th, 1895. They are both natives of Navarro county and have lived here their entire lives.

Mrs. J. A. Young was attired in purple crepe inspirited with sequins, and wore an orchid tied with taffeta from her wedding dress.

Entertainment Features

Entertainment features of the evening included two vocal selections, "We've Come A Long Way Together" and "Little Annie Rooney" by Mrs. John C. Young of Waco with Mrs. Gus Henderson of Dallas at the piano, a clarinet solo, "Serenade" by Charles Cooper of Dallas with Miss Elizabeth Ann Cooper of Dallas at the piano, and "The Bridal Chorus" from "Lohengrin" by Miss Elizabeth Ann Cooper.

Decorative Highlights

Kinsloe House, with its myriad arrangements of golden, bronze and yellow chrysanthemums, provided a glowing background for the occasion. The refreshment table, placed before the stage in the Kate Whiteselle Auditorium, had as center decor a profusion of the chosen blossoms in an antique brass container. Gleaming golden tapers in brass candelabra cast a soft illumination over the setting. The three-tiered satin-iced wedding cake with its embellishment of golden rosebuds reflected its rich colors in a mirrored plaque, and furnished the high point of interest for the evening. Mesdames John Armstrong of Corpus Christi and Howard Mabry of San Antonio had charge of the cake, and Mesdames William Baine and Prim Harris of Waco presided at the punch service. Mrs. Rex Bounds, Miss Elizabeth Church of Dallas, Miss Nina Margaret Morton of Navarro and Mrs. Alan Hamilton of Houston assisted during the refreshment interlude. Dainty white napkins with "Albert and Annie—1895-1945" embossed in gold script gave further emphasis to the anniversary occasion.

Miss Eddie Jarrell of Dallas presided at the guest book which she designed and presented to the honorees.

Out-of-Town Guests

Out-of-town guests in addition to members of the immediate family were Mr. and Mrs. John Megarity (sister of Mrs. Young) of Waco, who celebrated their golden wedding anniversary recently and, Mr. and Mrs. J. S. Doolen, Mr. and Mrs. Marion White, Mrs. Edgar White, Miss Nina Margaret Morton, Navarro; Mr. and Mrs. Gus Henderson, Miss Elizabeth Church, Miss Eddie Jarrell, Mr. and Mrs. H. P. Pohl, Herbert R. Pohl, Mr and Mrs. Sam Kealy, Miss Betty Kealy, Mr. and Mrs. J. W. Adams, Jimmie Adams, J. Gus Henderson Jr., Mrs. Lorraine Doolen Cook, Mrs. Lou Emma Quarrels, Mrs. Kate Davies, Mr. and Mrs. E. Clyde Seymour, Mrs. Ross H. Hemphill, Miss Bobbie O'Byrne, Mr. and Mrs. George N. Brown, Paul F. Brown, Dallas.

Mrs. Nina M. Harris, Mr. and Mrs William Baine, Mr. and Mrs. Sam Armstrong, Sam Knight, Ferris J. Megarity, Jr., Waco.; Mrs. Howard Mabry, James Leland McCormick, Mrs. Lila Young, Mrs. Thos. M. McCormick, San Antonio; Mr. and Mrs. John N. Armstrong, Mac Armstrong, Corpus Christi; John N. Armstrong, Jr., Camp Hood; Mr. and Mrs. Lloyd Hinkle, Mrs. Wm. Rohrer, Springtown; Mrs. Will Jackson, Normangee; Mr. and Mrs. Alan Hamilton, Mr. and Mrs. C. H. Megarity, Houston; Mr and Mrs. Dillon W. Young, New Castle; Mr. and Mrs. Burney Moore, Joyce; Mr. and Mrs. S. E. Ellington, Chatfield; Mr and Mrs. Hub White, Richland.

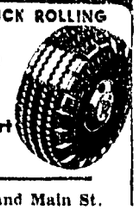

Mr. Young stated that his recipe for fifty years of happy married life was: "Annie and I courted for three years before we decided to get married."

The happy couple will leave shortly for Boise, Idaho, on their second "honeymoon."

Miss Ferne Wiley And Jack Bristow Wed Here Tuesday

Miss Ferne Wiley of Crane became the bride of Jack M. Bristow, son of Mrs. Ethel Bristow of Monahans, formerly of Corsicana, Thursday afternoon at the home of Mr. and Mrs. A. R. Cravens, 402 South 30th street. The Rev. J. H. Baldridge officiated.

The bride wore a light blue suit with navy blue accessories. The attendants were Mrs. W. D. Hall, Mrs. Robert H. Wagoner, Mrs. A. R. Cravens, Mrs. Ethel Bristow and Mrs. Carrie Magness.

After a short wedding trip, Mr. and Mrs. Bristow will be at home in Monahans.

Beauford Jester Was Speaker At Fox Hunt

Beauford H. Jester, member of the Texas Railroad commission was the principal speaker at the annual meeting of the Navarro County Fok and Wolf Hunters association Friday night at the E. E. Smith pasture five miles south of Kerens. Jester was presented by John C. Calhoun, mayor of Corsicana.

A number of interesting fox races were held following the big barbecue, bench show and speaking. Fred M. Copeland, Pursley, county commissioner, is president of the association.

Several hundred sportsmen from Navarro and surrounding counties attended the occasion.

Fairfield Girl Weds Former Fairfield Man

FAIRFIELD, Oct. 27—(Spl)—Frank Reed of Burbank, Calif. and Miss Celeska Walker of Fairfield, were married at the First Methodist Church in Tucson, Arizona, Oct. 20, at 3 p. m., the Rev. M. G. Ballinger performing the ceremony.

Those present were the bride's brother, W. L. Walker, of Fairfield and Darren Murroen.

Mr. Reed is the son of Mrs. Mildred Reed of Fairfield. Miss Walker is the daughter of Mrs. W. H. Walker of Fairfield.

Mr. and Mrs. Reed will make their home in Burbank, Calif. where Mr. Reed is in business.

J. Carroll McReynolds, Billy Mahaley, Zoe Ann Middlebrook, Wanda NoSmith, Kenneth Renfrow, Dorothy Smith (5 A's), Betsy Stokes, George Sullivan, Sue Trone, Frances Wallace, Glendeen White.

Students making three A's with no grade lower than B, included Martha Allen, Lila Jean Bailey, Peggy Jean Berry, Patricia Ann Borg, Patti John Bunch, Jo Ella Deskin, Allyn Heifner, Elsie Douglas, Bobbie Holsey, Douglas Jackson, Joan Jester, John King, Isaac Levy, Priscilla Lively.

Joe McAdams, Andrew McColpin Kathryn McLendon, Mary Elizabeth McQuiston, Veta Markle, Betty Patrick, Benny Poarch, Gene Sarles, Billy Stowart, Virginia Stokes, Pansy Ware and Betty Ruth Watson.

Junior High School.

Honor students for the first six weeks at Corsicana Junior High school have been announced by Gaston T. Gooch, principal, as follows:

Students making all A's: Mary Jo Bailey, George Baum, Dickie Brown, Patricia Brown, Eugene Clowe, John Crawford, Jo Rene Edens, Ann Fowler, Dorothy Griffin, Peggy Harwell, Wanda June Hawkins.

Virginia Hayden, Barbara Higdon, Jess Hilbert, Jr., D'Wayne Howell, Lenora Mathison, Patricia Morris, Julia Ann Rankin, Katharine Regester, Ben Roberts, Arliss Shell and Chester Vaughn.

Students making six A's with no grade lower than B: Helen Ruth Bower, Charles Roy Bristow, Ruth Elaine Foster, Helen Griffin, Cafford Hall, Mary Marney, Paul Rash.

Students making five A's with no grade lower than B: Jimmy Allison, Randal Aston, Jo Ann Bigony, Louise Cummings, George Gillen, Anna Lee Hall, Margaret Johnson, Marylina McCormick, Maudine McCulloch, Janet Nichols, Glendeen Olsen, Billy Payne, Darline Rawson, Nancy Robinson, Joyce Smith, Bennett Stokes, Betty Jo Underhill, Charles Willingham, Jerry Wolens.

Students making four A's with Lou Auld, Shirley Barnes, A. J. Britton, Ina Boyd, Dwight Chappell, Billy Dan Clark, Carolyn Ferguson, Wynelle Goswick, Barbara Hart, Barbara Howard, Betty Howell, Jill Jones, Jerry Lee McClintock, Annette Montfort, Janett Null, Margaret Owen, Alice Steeley, Bette Lou Wolens.

Students making three A's with no grade lower than B: George Anderson, Bovvie Brazzell, Mary Joyce Callaway, ohn David, Linda Dickson, Pat Guthrie, Zelma Hanson, Pat Livingston, Garner McKinney, Benny Hardy, Mary Newton, Betty ean Olsen, Robert Pritchett, Laverne Roney, Betty Jo Shoemaker, Donald Stewart, Eddy Faye Waskom, Clo Jean Williams, Leon Wylie.

Messages from Lieut. Erwin F. Bohmfalk, Jr., to his parents, Rev. and Mrs. Erwin F. Bohmfalk, state that he has arrived in Karachi, India, and is awaiting further assignment.

Rev. Shivers Goes To Lewisville

Rev. L. W. Shivers, reared in Corsicana, is the pastor of the Lewisville Methodist church according to appointments announced Sunday at Greenville by Bishop C. C. Selecman of Dallas in the closing session of the North Texas Methodist conference. The Lewisville charge is in the Denton district.

Mrs. Claude White will be in Frost on Wednesday afternoon to be the sepaker for the Bible Day observance of the Frost Stury Club.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion,* thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

LOOK INTO this 2-way help*

MRS. W. A. MOORE DIED NEAR MERTENS; RITES ON TUESDAY

Mrs. W. A. Moore, aged 77 years, died at the family home two miles east of Mertens Monday morning .

Funeral services will be held from the Mertens Methodist church Tuesday morning at 10 o'clock with interment in the Richland cemetery at Mertens. Revs. Fisher and Hicks will conduct the rites.

Surviving are her husband, W. A. Moore, Mertens; five sons, W. S. Moore, Frost; Hoyle and D. S. Moore, both of Dallas; R. R. and T. E. Moore, both of Mertens; five daughters, Mrs. George Payne, Memphis, Texas; Mrs. Oma Sanderson and Mrs. L. E. Dickerson both of Shannon, Miss.; Mrs. F. F. Hill, Nettleton, Miss., and Mrs. Hollie Delmore, Mertens; 37 grandchildren, 29 great-grandchildren and other relatives.

Corley Funeral Home is directing arrangements.

FOREIGN POLICY

CONTINUED FROM FIRST PAGE

Pan-American Union is scheduled to decide on November 20 the date on the once-delayed inter-American defense conference at Rio De Janiero.

British Loan—Negotiations have reached the crucial stage in Britain's request for multi-billion-dollar financial assistance from the United States. American negotiators who formally talked of a $5,000,000,000 loan recently decided that congress would balk at that much and now talk of $4,000,000,000. It is a question whether the British will consider the total and the terms acceptable.

Atomic bomb—Mr. Truman announced that talks with Britain and Canada and then with other nations would be undertaken in the near future to decide on free exchange of scientific information without any disclosure of industrial secrets of the bomb's manufacture.

GERMAN POLICE IN LUEBECK DISTRICT SEEK STOP MURDERS

LUEBECK, Germany, Oct. 29—(AP)—German police in this area created an emergency organization today to deal with murder gangs which systematically have been plundering homes and killing residents.

The authorities selected 20 Germans from each village in the Luebeck area and formed them into "watch" groups to stand guard each night.

Criminals killed nine persons in the Luebeck huburbs last week committed 22 robberies with violence and 48 other robberies.

One local gang of robbers was reported led by a masked man wearing a Polish uniform. The German and British police expressed fear that the crime wave would increase as winter nights lengthen and hunger increases. The menace to Luebeck is increased because 29 displaced persons camps containing 37,000 inmats surround the Baltic port.

More Treasure Seized

OSAKA, Oct. 29—(AP)—An undisclosed source in the Japanese finance ministry supplied American troops with a tip which led to seizure today of more than $1,000,000 worth of gold, silver and platinum from a safe in the Mitsukeshi department store.

Double Murder and Suicide in Dallas

DALLAS, Oct. 29.—(AP)—Funeral services for Isadore Cohn, 51, and his daughter, Mrs. Adelaide Cohn Lavine, 21, fatally shot at the Cohn home early Sunday, were held from the Weiland Funeral Home Monday afternoon with interment in Emanu-El cemetery. The rites were conducted by Dr. David Lefkowitz.

Justice of the Peace W. L. Sterrett returned a coroner's verdict of double murder and suicide following the death of Norman Lavine, 23, Dallas salesman, divorced husband of Mrs. Lavine. Officers said that Lavine gained entrance to the Cohn home by means of a key sent him by his former wife who apparently thought the key sent was to an apartment they had once occupied.

The shooting occurred at 3 a. m. Sunday and Lavine died in Parkland Hospital at 5 a. m. Officers said Lavine killed his ex-wife and her father and then fired a bullet into his own head.

Lavine will be buried following private services.

Cohn is survived by his wife and a daughter, Mary Ann Cohn, and parents, Mr. and Mrs. Morris Cohn, all of Dallas.

Six U. S. Soldiers Injured

FUSAN, Korea, Oct. 29—(AP)—Six American soldiers were injured and a square mile of army warehouses were set afire when a Japanes ammunition ship exploded Saturday at Fusan, Korea's largest seaport, the rmy reported today.

Windows five miles from the scene were broken.

Army intelligence said the ship exploded by sparks from a small dock fire. The burning wreckage was hurled into the warehouse area, which contained large stocks of rations and winter clothing for the troops.

BETHLEHEM REJECTS UNION DEMAND FOR INCREASE IN WAGES

PHILADELPHIA, Oct. 29—(AP)—Bethlehem Steel Co. announced today it had rejected the demand of the United Steel Workers of America for a general wage increase of $2 a day or 25 cents an hour.

J. M. Larkin, vice president in charge of industrial and public relations, announced the company's refusal of the demands at a meeting between representatives of the company and the union.

"Further increases in the already high wage rates of the employees in the company's steel plants could not be granted without substantial increases in the prices of steel products," the company said.

"Moreover, the company believes that a general wage increase would have inflationary effects which would be harmful to the national economy and would threaten the standard of living of the nation."

Doctor's Efforts Are Often Handicapped

By W. P. BROWN
of Johnson's Pharmacy

Sometimes the doctor's efforts are seriously handicapped by voluntary advice of those who can cite instances where such and such specific worked wonders for their friends.

Perhaps it did, but that case may not actually resemble yours in any degree. Only a trained doctor can know what your constitution can stand, how your very mental processes work, and what your individual needs may be.

By all means, protect the doctor from misuse of his time and energies. But do not hesitate to refer to him those symptoms which demand instant attention and great skill in handling.

Medication is always important. It must be prescribed by a physician, it must be compounded by a competent druggist.

This is the 10th of a seres of Editorial advertisements appearing in this paper each Monday and Tuesday.

RUMORED ATTLEE IS PLANNING TO VISIT UNITED STATES

LONDON, Oct. 29.—(AP)—The British Press Association and the Exchange Telegraph said today that Prime Minister Attlee had discussed with the cabinet the advisability of visiting the United States within a few weeks to confer with President Truman.

In Washington Eben Ayers, assistant White House Press secretary, told a news conference he knew nothing about a contemplated visit by Attlee.

At No. 10 Downing street, the Prime Minister's residence, the report was neither confirmed nor denied.

Informed sources said Attlee was anxious for a clearer understanding on a number of problems including British-American policy on the future of the atomic bomb, Jewish immigration into Palestine, settlement of provocative European boundary disputes and efforts to repair the damage to the machinery of big power consultation caused by the collapse of the foreign ministers' council in Lodon.

Received Injuries In Auto Accident

Miss Juanita Stubbs, daughter of Mr. and Mrs. Clyde Stubbs Corsicana, is in the Corsicana Hospital and Clinic for treatment of injuries received in an automobile accident in the outskirts of Corsicana on Second Avenue early Sunday.

Miss Stubbs received a broken pelvic bone in the accident which she reported, occurred when the driver of the Ford V-8 in which she was riding momentarily lost control of the car.

Sam and Wilber Wilson, other occupants of the car, escaped with minor injuries and have been dismissed from the hospital.

TAX BILL

CONTINUED FROM FIRST PAGE

come levies on their service pay during the war years and giving officers a three-year time extension for paying their back taxes.

For corporations:

1. Cut business levies by $3,136,000,000.

2. Repeal outright, effective January 1, the war-imposed 85.5 per cent excess profits tax; eliminate the capital stock and the declared value excess profits tax; and remove four percentage points from the graduated normal and surtax rates for firms with incomes up to $50,000 and two points for those earning above $50,000.

No Definite Date.

No definite date is set for a cutback in the high wartime excise levies on such things as liquor, furs, luggage, jewelry and cosmetics. But the legislation has these other provisions:

Social Security—The tax against employe's pay and employer's payroll is frozen at 1 per cent. Without this "freeze" the tax would jump to 2.5 per cent against each on January 1.

Automobiles—The $5 a year use tax is repealed, effective next July 1, at a savings of $140,000,000 to automobile and truck owners.

The tax cut, which becomes effective next January 1, applies to next year's taxes. It will amount to an increase in "take home pay" for millions of persons on wages and salaries. The pay-as-you-go deductions from wages and salaries will be adjusted to reflect the reduced rates.

WASHINGTON, Oct. 29—(AP)—Here's how the new income tax bill would reduce pay-as-you-go withdrawals from the weekly paycheck of a man with a wife and no children:

If he earns $15 a week, the government would take nothing from his pay, now if gets 10 cents: if he earns $20, the deduction still would be zero, against a present deduction of 30 cents a week; if $25,a 70-cent deduction instead of $1.10; $30—$1.60 instead of $2.20; $35—$2.40 instead of $3.20; $40—$3.30 instead 4.20; $45—$4.10 instead $5.30; $50—$5 instead of $6.30; $55—$5.80 instead of $7.40; $60—$6.80 instead of $8.50; $70—$8.60 instead of $10.70; $80—$10.50 instead of $12.90; $90—$12.40 instead of $15.20; and $100—$14.50 instead of $17.80.

"LOST BATTALION" MEET IN REUNION AT WICHITA FALLS

WICHITA FALLS, Oct. 29.—(AP)—Veterans of the 131st Field Artillery "Lost Battalion" voted today to make the reunion an annual affair and organized officially, electing Col. Blucher S. Tharp of Amarillo president.

Meeting at their first reunion here today, members gave Col. Tharp authority to appoint a committee to select the 1946 meeting place.

Other officers named for the new organization include Lt. Col. Winthrop Rogers of Wichita Falls and First Sgt. Glen W. Jones of Fort Worth first and second vice-presidents, and Capt. Ira H. Fowler, Jacksboro, secretary-treasurer.

The organizational meeting was one of the highlights of the Lost Battalion homecoming celebration.

Up until noon today, over 275 battalion members had registered for the celebration.

Lost Battalion Auxiliary.

Wives and mothers, including 22 Gold Star Mothers, organized Lost Battalion Auxiliary at a separate meeting.

Mrs. Clyde C. Fillmore of Wichita Falls was named president. Other Auxiliary officers elected were Mrs. Charles A. Cates of Decatur and Mrs. Merle Clark of Abilene, vice presidents, and Miss Flora Cobb of Wichita Falls, secretary-treasurer.

Details of the Auxiliary organization were left to the men's Lost Battalion Club.

"We worried along the years they were Japanese prisoners," said Mrs. Fillmore. "Now let them take over."

Lost Battalion members, their families, and area service men and their relatives—more than 5,000 strong—were on hand for the noon barbecue that was followed by a two-mile parade.

Gov. Stevenson Speaker.

Gov. Coke Stevenson, who arrived at noon, will be the featured speaker at concluding ceremonies here today.

Others scheduled to speak are Maj. Gen. Fred L. Walker, former commander of the 36th (Texas) division; Capt. Leonard J. Dow, commander of the Dallas Naval Air Station; Congressmen Ed Gossett and John Lyle; Nathan Adams of Dallas, chairman of the Texas War Finance Committee; and Col. Tharp.

It is the first reunion of the Texas outfit since they were liberated from Japanese prison camps in August.

Last night some 5,000 persons heard addresses by Maj. Gen. Fred L. Walker and Bishop A. Frank Smith of Houston at a Memorial Ceremony honoring war dead from this area.

General Walker is the former commanding officer of the 36th "Texas" Division, which the "Lost Battalion" was a part of before being sent to the Pacific in 1941. He told the group that "insistence upon a more intelligent leadership and public fidelity to our best moral and religious principles would spare us the necessity of sacrificing young men and women in the name of war."

Bishop Smith said:

"We only betray these men who died if we turn pessimist, drape ourselves in the garments of despair, and declare that the world can stew in its own evil juices. But we may glorify them by resolving that so long as the rights and joys of man are involved we will fight this thing through to the end."

Premium Payments Deadline Announced

The final date for payment of insurance premiums for Federal Crop Insurance without interest charges, is Wednesday, October 31, C. T. Young, Navarro County ACA secretary announced Monday.

Beginning with the November 1 date, three months' interest automatically applies, Young said, urging farmers to mail or present payments pesonally at the local AAA office befoe ha dae.

ernment to restore the Christian curriculum there immediately, and demanded an accounting of all other schools once supported by American gifts.

The directive charged that St. Paul's had been transformed into a non-Christian school by the Japanese government in January, 1943; that it had been looted and that its stone crosses had been destroyed.

On the political front, Domei reported that most young Japanese peers want to forsake their titles and assume a commoner status, following the lead of Prince Fumimaro Konoye. Konoye is expected to become active in conservative politics if his request to resign his title is granted by the Imperial household.

Japanese Warships.

KURE, Japan, Oct. 29.—(AP)—Sixth Army headquarters said today its 41st Division found 143 Japanese warships of all types—106 of them serviceable—on its arrival at Kure, Japan's chief naval base.

The serviceable ships included two aircraft carriers, two cruisers, 19 destroyers, 29 submaines and 18 subchasers.

Japs Charged in Death March.

SHANGHAI, Oct. 29.—(AP)—Ten Japanese charged with participating in the Hankow death march which ended in the burning to death of three American airmen, have been brought to Shanghai to face trial as war criminals soon, it was learned today.

They were arrested by American war crimes investigators and shipped to Shanghai in the same plane which carred the ashes of the men they were accused of destroying.

Bans Handbills

SEOUL, Korea, Oct. 29.—(AP)—The American military government of Korea today banned publication and distribution of all handbills and pamphlets in Korea.

The occupation authorities did not mention cause of the ban, but headquarters officers individually said it was brought about by Communist faction handbills which were both disturbing to the peace and critical of occupational policies.

Jap Employment Program.

TOKYO, Oct. 29.—(AP)—The Japan Socialist party's organizing committee, Domei agency said today, outlined an employment program urging a 36-hour work week, government responsibility for relief of the jobless and a speedy start of rehabilitation projects to provide work.

AUTO WAGES

CONTINUED FROM FIRST PAGE

crease when negotiations were postponed indefinitely last week.

General Motors had rejected the union demand as "unreasonable."

The union, which has voted to strike to support its demand, stood firm. It would not digress "one red cent," Reuther asserted, unless GM would prove it impossible to raise wages without boosting the price of its products.

At that time, General Motors which maintains there can be no wage boost without a corresponding hike in prices, said it would answer the union's contentions within 10 days.

The union, obviously, regarded the 45-hour-work week proposal as a counter offer to its wage increase demand.

TRIAL OF YAMASHITA BRINGS OUT TALE OF BLOODY JAP ORGY

MANILA, Oct. 29—(AP)—Four Japanese sailors in Lt. Gen. Tomoyuki Yamashita's Philippines command killed or wounded 100 women and children in a bloody orgy in a Red Cross aid station, a pretty survivor testified today as the General's trial on war criminal charges opened.

The heavily medaled, bullet-headed Yamashita, defeated at every turn in legal skirmishing which opened the hearing, took a keen interest. He followed legal arguments carefully with the assistance of a personal interpretar, but appeared to understand considerable English.

Patricinia Abad, 26, testified that four Japanese sailors savagely bayoneted and shot the 100 women and children here last February. The orgy continued more than an hour although there was no resistance.

Her arm in a sling, Mrs. Abad testified that: She cowered behind a cabinet with her 10-months old daughter in her arms. She was shot through the elbow and bayoneted nine times. Three thrusts went through her body and fatally injured her baby.

The four Japanese slaughtered more than 50 of the women and children, Mrs. Abad told the military commission of five U. S. Generals trying Yamashita for his life on a charge that he was responsible for crimes committed by his command.

TRUMAN

course of more firm administration and party leadership.

His directive to departmental and agency heads to submit semimonthly reports on the progress of legislation for which he is holding them responsible was an early step. The others, those sources say, where his call for a universal training program and his Navy Day speech in New York outlining a 12-point foreign policy.

Georgia Governor Advised.

ATLANTA, Oct. 29.—(AP)—Gov. Ellis Arnall announced today the White House had advised him President Truman would not visit the Carolinas and Georgia this week end.

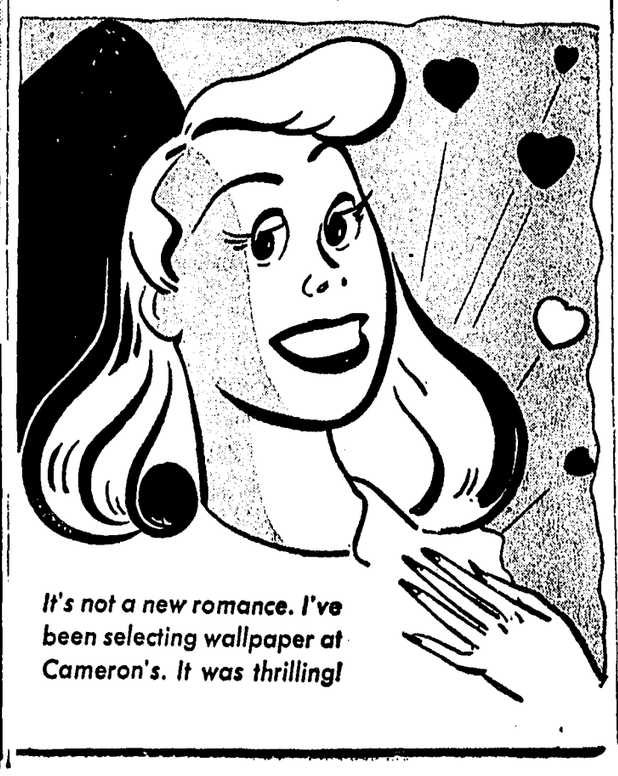

"I have just received a telephone call from the White House," Arnall told the Associated Press. "They said the president was not coming but that he would undertake to pay us a visit in the early spring."

The president had planned to spend Friday in North Carolina, to attend the Georgia Tech-Duke football game here Saturday then have luncheon with patients at the Warm Springs Foundation, Warm Springs, Ga., Sunday.

Jar Tossed From Train Hits Negro

Aaron Butcher, 25, negro employee of the Burlington-Rock Island Railway, was given emergency treatment at the Corsicana Hospital and Clinic at noon Monday for a severe cut on his left arm.

The injury was inflicted by a large half-gallon glass fruit jar which someone thoughtlessly tossed from the window of passing train.

PUBLISHER FEELS WE ARE GETTING OUT GERMANY TOO QUICK

BERLIN, Oct. 29.—(AP)—Clyde E. Palmer, Arkansas and Texas publisher, expressed the opinion today that the United States is pulling its occupation troops from Germany so swiftly that we might "lose the peace."

"Their replacements are all green men, unfamiliar with the problems of occupation," Palmer commented, "they are non-combat men who do not know Germany as an enemy and consequently are susceptible to German propaganda. While the Germans lost the war they lost none of their cleverness."

Palmer left for England after several weeks in France, Belgium, and Germany as an observer and correspondent for his nine newspapers. He expressed belief that the American military government "is doing a pretty good job" and that UNRRA is "overstaffed with largely untrained personnel and still has too prove its worth.

INDONESIAN

CONTINUED FROM FIRST PAGE

ficer and several Indian soldiers were reported wounded.

It still was not clear what had touched off the outbreak. Leaflets had been dropped on the city warning unauthorized persons carrying arms to turn in their weapons by Wednesday on penalty of death. British army observers thought the leaflets might have been a partial cause of the clash.

The fighting began when a hail of bullets peppered a jeep and two truckloads of British personnel en route to a meeting with the Soerabaja chief of police. The meeting had been arranged by a nationalist resident named Suderman who had pledged full co-operation with occupation authorities only three hours before.

Brig. A. W. F. Mallaby, the commander of the British 49th brigade task force, immediately ordered restoration of street barricades.

Fire On British Soldiers

A few minutes later snipers fired on a sedan car containing five British soldiers. One was killed.

Mallaby ordered patrols into the streets. They were greeted by small arms fire from surrounding buildings. British headquarters was besieged.

The sudden deterioration of the military situation at Soerabaja was wholly unexpected. British Indian troops landed without opposition four days ago at the naval base. Daily reports to headquarters in Batavia indicated the occupation was proceeding without any difficulty. Only a few hours before the outbreak British planes had dropped leaflets urging that Indonesians and Dutch authorities settle their problems.

The Soerabaja trouble arose at a time when well-informed quarters had been predicting that informal peace talks between Dutch and Indonesian leaders would begin within 48 hours.

Friction in Indo-China.

SAIGON, French Indo-China, Oct. 29.—(AP)—Friction developed between the Chinese and their Anglo-French allies in Indo-China today as the Annamite rebellion waned.

In Saigon, which was returning to normal swiftly, Chinese residents prepared to send a delegation to Maj. Gen. D. D. Gracey, Allied ground commander, protesting rape, looting and other crimes allegedly perpetrated by Indian troops against the Chinese population.

British officials said they were investigating disturbances n "Cholon," the Chinese section which comprises about half of Saigon. Troubles were increased over the week end by a serious fire which destroyed many Chinese residences, despite efforts of Indian troops to control it.

The French, meanwhile, became concerned over what they called the failure of the Chinese in the north to control Annamite bands.

South of Saigon, French troops encountered only mild resistance in mopping up operations against Annamese nationalists.

Criminal Docket Is Set For November 6

Following is the setting of the criminal docket in the District Court of Navarro county, Texas:

For November 6th 1945:

16764- The State of Texas vs. T. J Roe aggravated assault.

16766 -The State of Texas vs. T. J. Roe, driving while intoxicated.

16767- The State of Texas vs. T. J Roe, robbery.

16771 -The State of Texas vs. Pete Kirk, burglary

J. C. ROE,
County Attorney.
A. P. MAYS,
District Judge.

Truck Driver Hurt Highway Accident

Homer Waller, of Corsicana, driving a truck belonging to Gene Goss, Corsicana, received severe facial lacerations and possible skull injuries when his truck went out of control and hit a bridge early Monday afternoon on U. S. Highway 75 near Fairfield.

It is thought that the steering mechanism of the truck caused the accident.

A Burleson ambulance brought Waller to Corsicana where he was treated at the Corsicana Hospital and Clinic, but extent of his injuries were not immediately determined.

Merchant Marine In Traffic Mishap

Lee Millwee, U. S. Merchant Marine en route to Houston, escaped injury in an accident near Richland which demolished the front half of his car, Byron Currin, of the state highway patrol, who investigated the accident, reported Monday.

Millwee, driving a 1942 Pontiac sedan, hit a cow on Highway 75 1.8 miles southeast of Richland Currin said. The mishap occurred about 9:30 p. m. Sunday. There were no other occupants of the car.

Rev. Jared I. Cartlidge, pastor of the First Baptist Church, is chairman of the committee on religious literature of the approaching annual Texas Baptist convention in Fort Worth, Nov. 13-16.

O. W. Holmes is in Greenville attending a fice-state meeting of the Hotel Greeters' Association.

Strikes At a Glance

By The Associated Press

Total idle in labor disputes jumps 110,000 to 345,000. Chief issue—wages.

Developments:

Electrical—CIO United Electrical, Radio and Machine Workers plan strike affecting two hundred thousand in 54 General Electric co. plants and in electrical manufacturing plants of General Motors Corp.

Steel—CIO United Steel Workers to petition for strike vote among 600,000 employes of 766 steel, aluminum, and iron ore companies; $2 increase in daily pay at issue.

Transportation—94 per cent of Missouri Pacific Railroad dispatchers vote strike; bus strike at Joliet, Ill., leaves 42,000 inhabitants with 22 taxicabs only means of public transportation.

Motion Picutres — Eight-month long jurisdictinal strike appears ending with 5,000-7,000 workers slated to resume work.

Rubber—unauthorized strike of 400 maintenance and power employes throws 15,000 persons at Akron, O., Firestone Tire and Rubber into idleness.

Machinists—13,000 CIO and AFL machinists in San Francisco go out in 30 per cent wage increase demand; $0,000 collateral idle.

TRAINING

CONTINUED FROM FIRST PAGE

The question asked was: "Do you favor compelling physically-able young men to take military, or other war, training?"

Forty senators said they hadn't yet made up their minds.

The military committee, which will handle the training legislation, is split wide apart on the issue. Some members, like Senators Gurney, Hill (D-Ala) and O'Mahoney (D-Wyo) favor the president's program. Senators Maybank (D-SC), Austin (R-Vt) and Thomas (R-Utah) want some variations.

Senator Johnson, Chandler (D-Ky), and Revercomb (R-W VA) are against compulsion in any form.

Chandler, who is leaving the senate soon to take over full time his job as baseball commissioner, told a reporter he wants a strong army and navy, with a physical fitness program for young men.

CHINA

CONTINUED FROM FIRST PAGE

ty would allow himself to be quoted.

Other reports told of bitter fighting in 11 provinces, mostly in North China but including Central parts of the nation and Kwangtung province, on the southeast coast.

The New China Daily News, communist publication, estimated 800,000 Central government troops were battling the Reds. Neutral observers said they believed this figure was exaggerated, but all quarters conceded the fighting was serious.

"We cannot consider the situation represents a civil war until Generalissimo Chiang Kai-Shek has openly proclaimed it to be so and calls the communists rebels," said an official communist spokesman.

Sources favoring Chiang's government said they believed the only way to unify the nation was to eliminate the communists, which they said they thought Chiang could do with an all-out, well executed campaign in from three to six months.

These sources said they believed Chiang would start a smashing campaign against the communists were he not apprehensive over the reaction from other nations, particularly the United States, and the possibility that Russia might support the Reds.

Major and Mrs. Doyle T. Davis and daughters have written Mrs. Davis' parents, Mr. and Mrs. C. C. Roberts, that they will leave Brazil by boat on December 15, and expect to be in the States by January 1. Major Davis has been stationed at the American embassy.

Large Number Of Navarro County Men Joining Army

Men who have already served their country once in war and who wish to continue serving in peace are joining fresh young recruits in signing up at the local recruiting station in the State National Bank building.

Tech. Sgt. Alton W. Lewis of Athens, Texas, in the Army four years and overseas 18 months, has reenlisted in the Air Corps for serve with ordnance in Europe. He wears the Air Medal with five clusters, and plans to make a career of the Army.

Staff Sgt. Edgar H. Ballard of Corsicana is another veteran going back. Eight years in the Army, he served six months overseas with the 411th Infantry Regiment and is planning retirement.

On the other hand, Noel Lewis Ridgeway, 17, and James Leon Ridgeway, 18, of 115 Mamie Avenue, are entering the service for the first time, with the consent of their parents. They both hope to serve wit hordnance in Europe, and "will go into business together when they retire 20 years hence."

Another young lad who had to have the consent of his parents was Billy Joe Owens, 17, of 204 East Fourteenth Avenue. He will serve with the Air Corps in Europe, and is entering the service to further his education under the USAFI courses.

Still another young recriut is Rew Bower, 21, of 1505 West Sixth Avenue. He formerly was employed in Houston as a marble setter.

4-H CLUB NEWS

Navarro Girls' Club.

Navarro 4-H Club girls met on Thursday, Oct. 25, to elect officers for 1946.

Betty Jean Daniel was elected president; Josephine Easley, vice president; Bewetta Joyce Threet, secretary-treasurer; Annie Frances Ledwell, reporter and song leadur; Jo Nell Fouty, clothing demonstrator; Mrs. H. B. Fouty, sponsor; Betty Jean Daniel, berry demonstrator.

The club planned to make contributions of money for purchase of food to send to foreign countries. Members were requested to bring sewing kits and two white sacks to the next meeting, set for November 22.

Miss Margaret Lowry Main Speaker County Council PTA Saturday

Miss Margaret Lowry of New York City has been announced as the speaker for the regular meeting of the Navarro County Council of Parent-Teacher Association, which will convene at Kinsloe House on Saturday afternoon at 2 o'clock. In continuance of the year's theme, "The Family Builds the Future," Miss Lowry will discuss "How Music Helps the Family Build the Future."

Mrs. Ernest Hooser of Frost president, will have charge of the preliminary business session, and Miss Alma Armstrong has been announced as program sheairman.

Activities Among County Home Clubs

White's Chapel Club.

The White's Chapel Home Demonstration Club met in the home of Mrs. A. J. Williams, 1106, West Seventh, Wednesday afternoon, at 2 o'clock, with twelve members present.

Visitors were, Mrs. Guy Poarch and Mrs. Billy Basham.

Following a brief business session, Miss Vera Sneed, home demonstration agent, displayed samples of material for use in making comforts, and also samples of gingham, both of which may be purchased co-operatively by club members at reduced prices.

The club voted to contribute two cases of corn for foreign relief.

A grab-box, conducted to raise club funds, was a popular feature of the program. Miss Sneed conducted a cooking school, preparing and serving a complete menu which was served buffet style with the refreshments.

Co-hostesses were Mrs. Williams and Mrs. H. M. Basham. The next meeting will be at the community center, November 14, with the "Blues, losers in a recent contest, entertaining the "Reds." Members are urged to bring written annual reports, as they are to be turned in at this time.

Mildred Club.

The Mildred Home Demonstration Club met at the club house Monday, October 22, with Mrs. R. M. Martin as hostess.

Mrs. Amos Choate presided, in the absence of the president. The following officers were elected for 1946: Mrs. Hubert Elder, president; Mrs. R. V. Ganten, vice-president; Mrs. Amos Choate, secretary and treasurer; Mrs. Martin, council delegate; Mrs. J. L. Hamilton, reporter. Mrs. Martin was appointed yard demonstrator, and Mrs. Choate appointed clothing demonstrator.

The club voted to purchase two cases of snap beans for the war relief, contribute $10 for purchase of Christmas presents for soldiers at McCloskey Hospital at Temple, $5 for Red Cross, and $5 for war relief

The next meeting will be at the home of Mrs. Jeff Russell, on November 12, and all members were requested to bring gifts for the bazaar on that date. A cooking demonstration will be presented by Miss Vera Sneed, home demonstration agent, at the November meeting.

Eight members were present for the meeting Monday.

Bazette Club.

The Bazette Home Demonstration club met for business session Wednesday, October 24, in the home of Mrs. R. C. Pohl.

Officers elecier for 1946 were Mrs. Jim Lancaster, president; Mrs. R. C. Pohl, vice-president; Mrs. E. C. Waits, secretary—treasurer; Mrs. S. M. Colvin, reporter; Ms W. C. Wasson, council delegate; Miss Velma Pohl, recreational leader; Mrs. Felton Lewis, parliamentarian.

Mrs. W. C. Wasson gave a complete report of the previous council meeting. Co-operative purchases by club members and gifts for the Christmas bazaar were discussed, but decisions delayed until a later date.

The next meeting will be held at the club house on November 14. All members are urged to be present so that plans for the coming year may be completed.

Roane Club.

The Roane Home Demonstration Club met in the home of Mrs K. C. McCreary Friday, Oct. 26.

Mrs. Larue Douglas and Mrs. Jack Douglas presented the program. A report on the last Council meeting was given by the club's Council delegate. Members voted to contribute two cases of beans to the war relief program. It was announced that all articles for the bazaar are to be turned in by Nov. 26.

The club, in co-operation with the Parent-Teacher organization is planning a Hallowe'en party to be held at the school. Refreshments were served to the seven members, one new member and two visitors present. Date for the next meeting is Nov. 9, at which time Miss Vera Sneed, Home Demonstration agent, will present a cooking demonstration. The meeting will be in the home of Mrs. Larue Douglas.

Richland Indians Defeated Rice For District 15 Flag

Richland six-man football Indians won the District 15 championship Friday with a 42-12 count, led by the sensational Gene Hayes, captain and fullback, who made four touchdowns and converted for extra point on two other occasions He gained each time he carried the ball except twice.

Co-Captain J. W. Williams received a pass at midfield and raced the remaining distance for the marker in one of the most sensational plays.

Richland line outcharged the Rice forwards throughout the game, with Odell Williams playing a great game at center.

Dillard of Rice was a standout and uncorked several long gains around the Indians' right end. He was shifty and adept at handling the ball. Brooks, Richland, displayed hard tackles on the defense and sound blocking on the offense. Campbell and Tidwell were Richland ends.

In a game of the little boys of substitutes, the Rice club won 12(over the Little Chiefs.

Sula Mae Frazer, Pfc. W. J. Varner Wed Here Monday

The marriage of Miss Sula Mae Frazer and Pfc. William Jack Varner was solemnized Monday evening at eight o'clock, with Rev. D. R. McCauley officiating in the single ring ceremony before the altar of the Central Methodist Church.

The bride wore white, with black accessories. Only a few friends and relatives attended the ceremony.

Mrs. Varner, formerly of Franklin, had been employed as a stenographer at the State Home for three years. Pfc. Varner has served eleven months in the European theater. He is the son of Mrs. Bessie Couey of Corsicana.

Pfc. and Mrs. Varner left for Fort Sam Houston where he is now stationed.

JOHN WM. BUNCH RITES WERE HELD SUNDAY AFTERNOON

Funeral services for John W. Bunch, aged 50 years, 1413 West First avenue, fatally injured in an automobile - pedestrian accident Friday afternoon, were held at the Corley Funeral Chapel Sunday afternoon at 2:30 o'clock. Burial was in Oakwood cemetery. The rites were conducted by Rev. Erwin F Bohmfalk, pastor of the First Methodist church, of which he was a member.

Bunch has been a reporter with this newspaper more than 20 years and was well-known in Navarrc county. A native of Cryer Creek he was educated in North Texas State Teachers College, Denton and taught school several years before becoming connected with the Daily Sun. He served in the aviation corps a short time during World War 1.

Twelfth Fatality

His death was the twelfth automobile fatality in Navarro county during 1945.

According to witnesses, Bunch had gone across Highway 75 pavement from the adjacent Oaks golf course about 4 o'clock Friday afternoon and retrieved a golf ball he had struck on the Number One fairway. He started back across the highway to join his companions, Boyce Martin, Monroe Hurley, J. Q. Hickson and Rev. F. K. Suddath, pastor of the Methodist church at Groesbeck, paused momentarily on the shoulder of the road and then started across the pavement as a car occupied by Mr. and Mrs. T. A. Pryor of Rusk arrived, striking him on the left leg, causing his head to strike the car, and then his body fell tc the pavement.

Died Friday Night

No complaints were filed in the case following an investigation by county officers and statements taken from those involved. Rushed to the Navarro clinic in a Corley ambulance, Bunch died at 7:15 o'clock Friday night following an operation.

Bunch was a member of the Methodist church and the Masonic Lodge.

Survivors

Surviving are his wife, Mrs. Minnie Bunch; a daughter, Patti John Bunch; father, M. D. L. Bunch; two brothers. Guy C. Bunch and Henry Bunch, all of Corsicana; a sister, Mrs. V. E. Haws Bonham, and other relatives.

Pallbearers were F. C. Paul, L. A. Wortham, Boyce Martin, J. Q. Hickson, M. H. DeWitt, E. E. Smith, J. S. Tekell, and Dr. E. H Newton.

Honorary pallbearers were employees of the Corsicana Daily Sun and members of the Young Men's Bible Class of the First Methodist church Sunday school.

TO UTAH—Pvt. Jimmie Dee Baggett, son of Mr. and Mrs. Jack Baggett, 304 South 30th Street has reported to Kearns, Utah, for further assignment after an 18-day furlough spent in Corsicana. Just prior to his visit home, Private Baggett was graduated from Specialized B-29 airplane and engine mechanical fctory course in Seattle, Wash.

RECENT CORSICANAN DIED SATURDAY IN BROWNWOOD

Rufus Ramsey, aged 68 years, recent resident of Corsicana, died at Brownwood Saturday with a heart attack. Funeral services were held at Brownwood Sunday where interment was made.

Born and reared at Blooming Grove, Ramsey had resided at Brownwood for many years until his wife's death in December, 1944. He had made his home here with his sister, Mrs. H. J. Wilson, 703 North Fourteenth street, since Mrs. Ramsey's weath and recently returned to Brownwood on a visit.

Surviving are his sister of Corsicana; a brother, Eugene Ramsey, Kansas City, and other relatives.

Mrs. H. J. Wilson, Mr. and Mrs. George Wilson, Miss Nora Wilson, all of Corsicana, and Misses Eva and Marguerite Wilson, both of Dallas, attended the funeral rites.

MRS. H. KIRKLAND DIED LOCAL HOSPITAL; RITES HELD MONDAY

Mrs. Hawley Kirkland died at the P. and S. Hospital Sunday morning at an early hour.

Funeral services were held from the McCammon Funeral Home Monday afternoon at 3 o'clock with interment in Oakwood cemetery. The rites were conductd by Rev. Jack Goff, pastor of the Northside Baptist Church.

Surviving are two sons, Sgt. Albert V. Kirkland and Capt. Ernest L. Kirkland, both stationed in the U. S. Army at Lawton, Okla; one granddaugtter, two sisters, Mrs. M. E. Smalling, Corsicana, and Mrs. Ralph Smalling Trinidad; and four brothers, Clay Ashcraft, Houston; Jesse Ashcraft, Fort Worth; Bob Ashcraft, Mart, and Charles Ashcraft, San Francisco, Calif., and other relatives.

Her late husband, Hawley Kirkland, died October 9, this year, and was buried two days later.

Pallbearers were A. H. Bonner, Graham Dickson, Willie Lewis Claude Patterson, Virgil Williamson and Lee Bonner.

Sunday Services Well Attended

The services were well attended Sunday at North Side Baptist church. One hundred and ninety-four were reported in Sunday school with 26 men hearing Wm. Bivin in the Fellowship Bible Class. Three came into the fellowship of the church, two on profession of faith and one by letter.

The Sunday school conference will be held tonight at 7:30 o'clock. Next Sunday will be the fifth anniversary of the pastor with the church, a five-year annual is being prepared and will be ready for distribution next Sunday. The public is cordially invited to attend.

Maurice Clutts Has Arrived In States

Maurice Klutts, son of Mr. and Mrs. E. L. Klutts, arrived in San Francisco Sunday, Oct. 28. He has been serving in the 81st Air Depot Group of the U. S. army overseas since Nov. 16, 1942. He was in Australia, New Guinea and Manila.

Maurice called his mother Sunday night from San Francisco, informing her of his arrival, and saying that he would be discharged from the service at San Antonio in six or eight days.

THIS IS TIME OF YEAR TREAT PLUM AND PEACH TREES

This is the time of year to treat peach and plum trees for control of borers, says Vera Sneed, County Home Demonstration Agent. If gum with frass or sawdust is noticed coming from a tree just below or above the ground line the borer is at work.

The true borer, or base borer, is the one to watch for, Miss Sneed says. It works underneath the bark of the tree just above or below the ground line. If it is not controlled it will weaken a tree and prepare it for attacks by other destructive parasites.

Control may be obtained by applying PDB crystals around a tree after removing weeds and grass for a distance of 18 inches from the trunk. Dosages are one half ounce of crystals for a tree under three years of age; three-quarters ounce for a tree just coming into bearing; one ounce for a bearing or mature tree, and one and one half ounce for an old tree or large tree. Treat only those showing signs of borer damage.

The crystals are applied in a circle one inch wide and one and one half or two inches from the tree trunk. If the borer's entrance hole is above the ground, build a dirt mound around the three so that the crystals will be placed above it. After the crystals are applied tc the soil cover them with a few shovelfuls of dirt and pack it down After about 30 days, remove the mound with the crystals to prevent damage to the tree.

Miss Sneed says that borers working in the branches of peach or plum trees can be controlled by painting their entrance holes lightly with a solution of one pound of PDB crystals dissolved in one half gallon of raw cottonseed, or raw linseed oil. Remove the gum from the bark before painting and dc not paint all the way around the limb or branch because the solution will injure it. The DPB crystals generally can be bought at most drug or feed stores.

Pfc. Gus Livengood Receives Discharge

Pfc. Gus Livengood, veteran of 18 months in the European Theatre of operations, arrived in Corsicana Saturday after receiving his discharge Wednesday at Ft. Sam Houston.

Entering the service in March, 1942, Livengood served with the 90th Division through France. He was transferred to the Tenth Armored Division at Metz and continued with this division until the end of the war. He wears the ETO Ribbon with five battle stars and the Good Conduct Medal.

Arrive From Overseas

Arrivals in New York Thursday from European theatre of operations, according to Associated Press dispatches, were First Lieutenant Locis E. M. Dunlay and S-Sgt. H. C. Estes, both of Corsicana.

Dr. Hamill Expects Discharge.

Friends here received letters from Dr. Dan B. Hamill, Naval medical officer, veteran of the Pacific Theatre of operations, now stationed at U. S. Naval Air Station, Patuxent River, Maryland, that he expected to be discharged and return to Corsicana during November.

Two Corsicanans Members Of Famous Caterpillar Club

Instructor Dave Curry, 517 West Third Avenue, and Lt. C. L. King, 1701 West Seventh Avenue, are members of the famous Caterpillar Club, composed entirely of men who made emergency jumps from planes—and lived to tell the tale! Members of the club, with headquarters in Trenton, N. J., are now voting by mail on the question of having local posts or chapters.

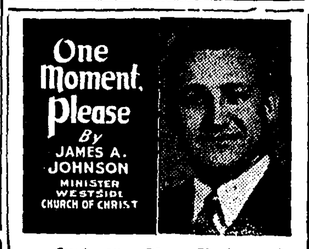

J. E. Davant Injured In Auto-Truck Crash

J. E. Davant, 1517 West Fifth Avenue, oil operator, narrowly escaped serious injury Friday afternoon near Tyler when his automobile and a truck figured in an accident. He was able to be brought home and suffered only chest bruises, a cut lip and other minor hurts. His automobile was badly damaged.

It was stated that the accident occurred when a truck was driven out of a side-road near Tyler. The truck-driver was not hurt.

Just one New Testament passage would suffice to justify the use of instrumental music in church worship, but one cannot be found. So, other means of justification must be sought. These questions are asked:

"Wasn't instrumental music used in Old Testament worship?" Yes, but that doesn't give authority for its use in the church, a New Testament institution. The Old Testament also allowed incense burning and polygamy. If you can think of any reason why these cannot rightfully be brought into the church, that's the reason instrumental music can't be brought in.

Again, "It's used in the home; so why wouldn't it be all right in church worship?" Everything right in the home wouldn't be right in worship. Incense burning and steak suppers are right as secular acts in the home, but not in worship.

"The New Testament doesn't say, 'Don't do it,' does it?" The same can be said of the incense. The New Testament doesn't even say, "Thou shalt not have more than one wife." But it tells a man how many to have. It also instructs us concerning the WHAT in worship. "Sing and make melody in your hearts." Ephesians 5:19.
